

## Nation Hunts Galt

MEMPHIS, Tenn. (AP) — The nation's police agencies intensified a nationwide search today for Eric Starvo Galt, the elusive fugitive sought in the assassination of Dr. Martin Luther King Jr.

They were aided by thousands of wanted posters, just gaining wide distribution two days after the FBI publicly identified Galt, 36, as the man it had sought secretly since a week after the April 4 slaying.

The FBI refused comment on queries about whether it believes Galt is the man's real name or was simply a cover built painstakingly over a number of months by the beer-drinking lover of hillbilly music.

Two aliases—John Willard and Harvey Lowmyer—were listed on the federal conspiracy warrant issued against Galt in Birmingham, Ala., Wednesday afternoon and the first degree murder warrant issued by the state against him here Wednesday night.

"John Willard" was the name used by the man who checked into a Main Street rooming house three hours before King was shot as he stood on the balcony of a motel here. There has been no reference to the second alias.

The federal agency denied a report that it had taken into custody the man it said Galt described as his brother and that the brother was aiding in the search. The federal warrant, issued Wednesday, claimed that Galt and the brother entered into a conspiracy March 29 to violate King's civil rights.

The FBI covered many specific details about Galt's life over the past several years in its release including the fact that he is an avid dancer, has "rural speech," apparently lacks education and has a "nervous habit of pulling at an ear lobe with his left hand."

But except for his age, the FBI's statement was void of vital statistics, including Galt's birthplace or of any details of his movement prior to 1964.

## NATO Ducks Costly System

THE HAGUE (AP) — The United States and its major Atlantic allies agreed today that present circumstances do not justify an antiballistic missile system to defend Western Europe against a Soviet attack.

The North Atlantic Treaty Organization's Nuclear Planning Group said, however, they had to keep developments in this field under constant review. They expressed hope that progress could be made with the Soviet Union "toward a limitation of the strategic nuclear arms race."

The seven-nation group completed a two-day, semiannual session. It was the first NATO meeting for the new U.S. secretary of defense, Clark M. Clifford.

The chief objection to the antiballistic missile system was the price, coupled with the fact that a system would buy only a very brief warning of a Soviet nuclear barrage.

## Weather

ESCANABA AND VICINITY—Partly sunny and cool today, high 48. Mostly cloudy and cool with rain beginning tonight, low 38. Cloudy with little temperature change and occasional light rain Saturday. High yesterday 47 and low overnight, 35. Northeast to east winds (12 to 20 mph) today, becoming east to southeast (10 to 15 mph) tonight. Sunday outlook: mostly cloudy and cool with chance of showers. Precipitation probabilities: today, 10%; tonight, 50%; Saturday, 70%.

Upper Peninsula—Partly sunny with highs mostly in the 40s this afternoon. Cloudy tonight with rain spreading over the area by late tonight. Rain likely and not much change in temperatures Saturday. Lows tonight 33 to 40. Highs Saturday 45 to 55.

Sun sets today at 6:40 p. m., and rises Saturday at 4:54 a. m.

Low temperature readings:

THE FBI HAS released this photo which it identified as Eric Starvo Galt, a man it charged with conspiracy in the slaying of Dr. Martin Luther King Jr. The FBI said the eyes were drawn in by an FBI artist because the eyes were closed in the original picture. (AP Wirephoto)

## Hanoi Offered 10 City Choice

WASHINGTON (AP) — The United States, indicating growing impatience with the impasse over where to make initial peace contacts with North Vietnam, is looking to Hanoi for a speedy reply to the latest American proposal listing 10 new potential sites.

Although the new U.S. proposal raised to 15 the number of nations it lists as acceptable locations for such talks, diplomatic sources in Washington were betting that Paris—not included in the newly padded total—would eventually be agreed on by both countries.

These diplomats, including some from nations allied with the United States in the war, reasoned that since neither Washington nor Hanoi has mentioned Paris as a possible site, its compromise selection would result in neither side losing face.

Premier Alexei N. Kosygin indicated how important such a face-saving compromise might be to Hanoi when he said Thursday in Rawalpindi, Pakistan, that North Vietnam will conduct peace talks "as a nation that has not been vanquished, that has not been defeated."

Secretary of State Dean Rusk called late Thursday on Hanoi

to give a "serious and responsible answer" to the U.S. proposals for preliminary talks on peace negotiations.

Rusk warned Hanoi that U.S. restraint in restricting the bombing of North Vietnam on March 31 was meant to inspire discussions on ending the war and not be an excuse for what he called propaganda warfare while the battle went on.

Thus showing signs of growing irritation at the continuing wrangle over selection of a site for such talks, Rusk said the United States believes Asia is the proper place for discussion of peace in that region.

Noting the United States had already proposed Laos, Burma, Indonesia and India, Rusk added six more Asian locations—Ceylon, Japan, Afghanistan, Pakistan, Nepal and Malaysia.

In Europe, he named the capitals of Italy, Belgium, Finland, and Austria in addition to the previously discussed Geneva, Switzerland.

North Vietnam is said to dislike Geneva because Hanoi believes it was treated unfairly when the 1954 decision was made there to divide Indochina into North and South Vietnam with the 17th parallel as the dividing line.

# Federal Reserve Discount Hike Hints Interest Boost

## Home Building Still Expected To Show Gains

NEW YORK (AP) — Most bankers and home builders expect 1968 to be a good year despite rising interest rates and higher building costs, a nationwide survey shows.

Industry spokesmen gave their views in an Associated Press survey concerning the industry's prospects.

Most of them expect 1968 to be better than 1967 but not without its problems. Some were less than enthusiastic.

It's the availability of mortgage money and its costs that overhangs the housing industry—and the would-be home buyer.

In Tallahassee, Fla., builder Al Albert, said the situation "in one word is rotten." Prices and money conditions have forced him out of the mass-produced home market here.

Money tighter

"It seems money is getting tighter each week," said Sam Teague of the Leon Federal Savings and Loan Association in Tallahassee.

"The worst year in our history was 1966," Teague said, "and 1967 was good but it looks like 1968 is going to be about like 1966."

In Detroit, builders are apprehensive about labor costs after current contracts expire May 1. "Undoubtedly home prices will go up," said William E. Stewart, secretary of the Detroit Association of General Contractors. "It's a very grim picture."

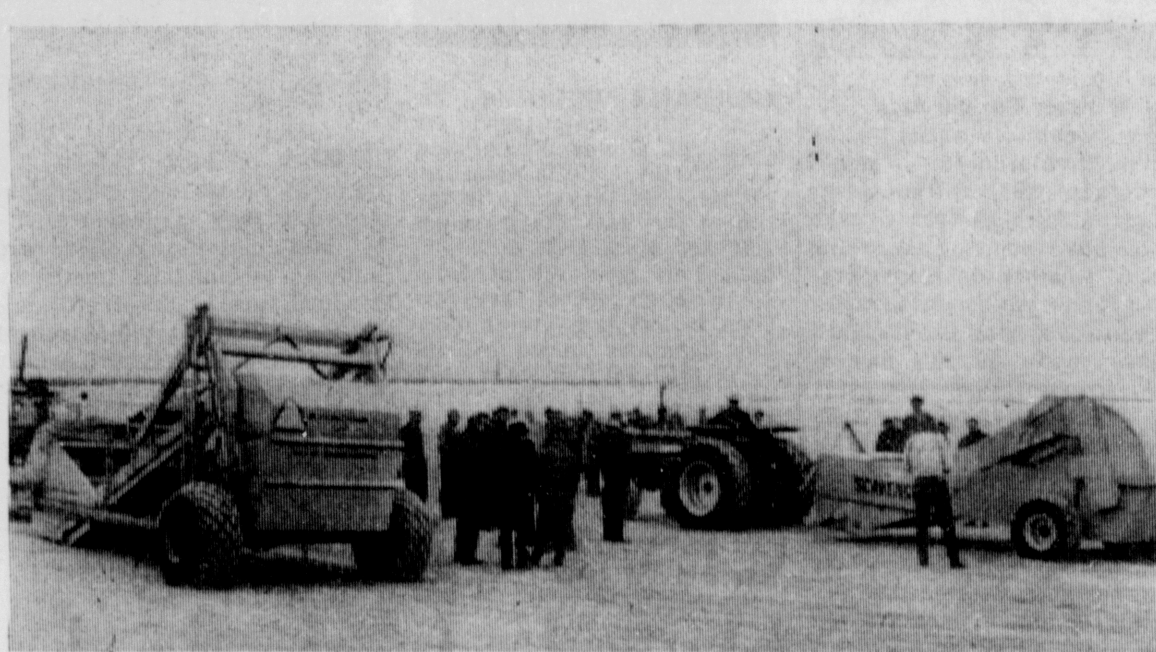

But to most of the industry the year looks good.

The National Association of Home Builders in Washington forecast 1.43 million housing starts this year, up from 1.3 million last year.

Demand Spurs Building "There's been a continued high level of building despite the Federal Reserve's discount increase, largely due to the pent-up demand," a home builders spokesman said. The survey showed that interest rates are heading toward the 8 per cent mark in some areas.

The Federal Reserve boosted its discount rate one-half per cent in a money-tightening move at the height of the nation's gold loss crisis March 14. This increase in the lending rate the Federal Reserve charges

ANTICIPATING A RERUN of last summer's alewife problem, Michigan Conservation officials are searching for the best weapons to deal with the dead fish on state beaches, as well as litter in general. Three types of beach cleaning equipment were put through their paces at Muskegon State Park on Lake Michigan as delegates from a variety of government agencies observed. (AP Wirephoto)

## U.S. Aircraft Make Heaviest Raids Of Year

SAIGON (AP) — U.S. warplanes made their heaviest raids of the year on North Vietnam Thursday, flying the largest number of missions in nearly four months, military spokesmen announced today.

Hitting targets in the southern panhandle in accordance with President Johnson's curtailment order, U.S. pilots took advantage of clearing weather to fly 145 missions, one more than a year's previous record on Jan. 6. It was the largest number since Dec. 26, when 150 were flown.

The total was nearly triple the average number of missions the Americans flew against enemy supply routes, convoys and gun positions in the southern part of North Vietnam before Johnson on April 1 ordered them to stay south of the 20th parallel of latitude.

Ten days later the President, in a move never publicly announced, put the northern limit for bombings raids at the 19th parallel, 170 miles north of the demilitarized zone. The curtailment was aimed at inducing the North Vietnamese to open peace negotiations.

The deepest reported penetration Thursday was a raid by Navy A4 Skyhawks from the carrier Enterprise on a railroad bridge one mile below the 19th parallel and 169 miles north of the demilitarized zone. Some U.S. sources say that despite Johnson's curtailment order allowing the North Vietnamese to move war supplies with impunity down to the 19th parallel, a distance of 140 miles from Hanoi, there has been very little change in enemy truck traffic in the southern panhandle.

The U.S. Command said a limited damage assessment showed the raiders Thursday destroyed or damaged 14 bridges, 13 trucks and 16 boats, barges or sampans; cut bridges and roads in many places, and touched off several secondary explosions and fires, indicating the planes hit fuel or ammunition dumps.

The pilots reported anti-aircraft fire was light to moderate.

One of the worst helicopter crashes of the war occurred in South Vietnam. Two U.S. Army UH1 choppers collided in flight 59 miles southwest of the coastal city of Qui Nhon while on a combat operation. Eighteen South Vietnamese civilian irregulars and eight American military personnel were killed. There were no survivors.

## Saginaw Flier Missing After Crash Of Jet

CHERRY POINT, N.C. (AP) — The pilot of a jet fighter plane was killed and the navigator-bombardier, a native of Saginaw, Mich., is missing after the aircraft crashed in the Pamlico Sound Thursday.

The pilot was identified by authorities at the Cherry Point Marine Air Base as Maj. Thomas J. Nalle Jr., of Wayne, Pa. The missing flier was identified as Capt. Gerald C. Westendorf.

The wreckage of the A6A Intruder was discovered in the Sound, 40 miles north of the air station, between Bluff Point and Great Island.

## Lake Michigan Dying, Claims U.S. Official

MILWAUKEE, Wis. (AP) — A Great Lakes research conference was told Thursday that if Lake Michigan pollution were stopped today it would take 1,000 years to reduce impurity of the water to one-tenth of what it is now.

"There can be little doubt

that serious problems of lake eutrophication (less oxygen in lower stratum in summer) are here," said Clifford L. Risley Jr., Chicago, director of the Federal Water Pollution Control Administration. "The lake is dying. There remains only the question of 'how long will it take'."

Risley spoke at a University of Wisconsin-Milwaukee conference attended by educators, engineers and scientists.

It takes more than 100 years to change the water in Lake Michigan as rivers and rainfall contribute and the St. Lawrence system drains the lake chain, Risley explained.

In the Milwaukee area alone, he said, there is now 15 times the level of plant nutrients required to produce nuisance levels of seaweed growth and there is no likelihood of a quick decline. Plant nutrients in the Green Bay area are almost half again as concentrated.

Risley said gains in water purity from better effluent purification could be offset by the burgeoning population in the Great Lakes Basin.

Stanford H. Smith, Ann Arbor, Mich., a senior investigator in the U.S. Bureau of Commercial Fisheries, told the conference that by weight, more than half of the fish in the lakes are alewives. He said loss populations of fish are unlikely to come back.

## 18,200 Michigan Workers Join In Telephone Strike

By The Associated Press  
A nationwide strike by the Communications Workers of America against the Bell System was joined Thursday by 18,200 CWA members who walked off their jobs at Michigan Bell Telephone Co.

Although Michigan Bell services 90 per cent of the state's population, most telephone service in Michigan continued without a major breakdown.

The reasonably normal service was maintained because local calls and direct dial long distance calls rely heavily on automation.

Installation and repair services were halted, however, by the strike, with supervisory personnel taking on tasks normally done by installers, maintenance men, operators and others.

"We expect that the handling of calls will be substantially normal," said Wayne R. Osborn, assistant vice president in personnel and head of the Michigan Bell bargaining team.

Bargain Five Weeks

"However," added Osborn, "we urge that customers dial their own long distance calls whenever possible."

The strike was called by the union after five weeks of bargaining failed to produce agreement on new wage contract, said Osborn. The old contracts expired April 2.

"A company offer valued at \$10.2 million over an 18-month period was rejected by the union bargaining team," said Osborn. "It amounted to a 7 1/2 per cent increase, the largest wage offer

ever made by Michigan Bell." Osborn said that with additional fringe items negotiated in 1966 to become effective with a new agreement, the total package would have meant an increase of 8.2 per cent.

\$4 To \$15 Offered

Under the rejected offer, said Osborn, Michigan Bell's 18,200 union employees would have received increases of from \$4 to \$15 a week.

In the Capital City, George L. Voorhis, manager of the Lansing office, said he hoped to maintain service "as close to normal as possible," using about 180 nonunion and management supervisors on a "strike schedule."

Voorhis said he also expected to use supervisory personnel to do essential telephone repair work and installations with preference being given to hospitals, police and fire departments and other public services.

## Riot Loss Rises To \$51 Million

NEW YORK (AP) — The American Insurance Association reported Thursday that estimates of insured property damage in the widespread disorders that followed the assassination of Dr. Martin Luther King Jr. had risen to \$51 million.

Last week, the association made an estimate of \$45 million on the losses in about 100 cities hit by racial disorders.

Property damage not covered by insurance is not included in the association's figures.

## Board's Move Is Attempt To Curb Inflation

WASHINGTON (AP) — Americans face the prospect of harder-to-get loans at higher interest rates following the second increase in little more than a month in the Federal Reserve System's discount rate.

In what it termed an attempt to beat back accelerating inflation, the Federal Reserve Board stepped harder on the economic brakes in approving effective today a discount rate of 5.5 per cent for 3 of its 12 banks—New York, Philadelphia and Minneapolis. It had been 5 per cent.

The other nine banks are expected to follow in a move virtually sure to trigger higher interest rates on loans throughout the economy.

A nationwide AP survey showed meanwhile that interest rates on home mortgages are nearing 8 per cent already in some sections and the cost of an average home has climbed about \$2,500 since 1966.

The new rate is the highest since just before the 1929 stock market crash when it went to 6 per cent.

One government source said the boost from 5 per cent was not unexpected in view of congressional inaction on President Johnson's request for the 10 per cent income tax surcharge, pushed by the administration as an anti-inflation weapon.

A boost in the discount rate from 4.5 to 5 per cent in mid-March was designed to stem inflation and cope with the gold crisis which reached its peak at that point.

The board cited spiraling inflation and a desire to strengthen the dollar abroad in announcing its action and at the same time approving higher interest rates — up to 6.25 per cent — which banks may pay to attract more savings through certificates of deposit of \$100,000 or more.

The second move will enable commercial banks to compete more effectively for savings with high interest rates elsewhere in the economy—on corporate bonds, for example.

Other interest rates paid by banks remain unchanged including the 4 per cent maximum on passbook savings accounts and the 5 per cent maximum on certificates of deposit of less than \$100,000.

The discount rate is the charge commercial banks must pay when they borrow money from the Federal Reserve. Other interest rates are pegged upward from it.

Earlier this week the Commerce Department reported the sharpest dollar increase ever in the economy during the first quarter of this year—\$20 billion—and listed the inflation rate at an unacceptable 4 per cent.

## Humphrey Told To Speak Up

Vice President Hubert H. Humphrey among the Democrats and Gov. Nelson A. Rockefeller of New York among the Republicans are being prodded to join the run for the White House.

Humphrey has made clear he's ready to run—apparently it's just a matter of timing the announcement—while Rockefeller has been less clear on whether he will actually campaign against former Vice President Richard M. Nixon for the nomination. Rockefeller has left himself open to a draft.

Sen. Eugene J. McCarthy, fighting Sen. Robert F. Kennedy for the Democratic nomination, said in Bloomington, Ind., Humphrey should announce now if he plans to campaign in support of U.S. policy in Vietnam—a policy McCarthy opposes.

Humphrey addressed a group at the State Department Thursday, on a nonpolitical matter, saying with a smile he had wanted "an audience this large" to make a certain announcement.

"I'd do it right here," Humphrey said—but he didn't.

## Today's Chuckle

It's too bad that mankind isn't, freeways aren't and die-hards don't.

# Fishing Safety Plans Made For Coho Era Here

Coast Guard regulations require that anyone taking another person on the Great Lakes in a boat for hire must have an operator's license issued by the Coast Guard.

Officials of several agencies attending a meeting in Marquette Wednesday to plan for greater boating safety were surprised to learn of that requirement.

The meeting was the fourth in a series of sessions held in Michigan to coordinate federal, state and county marine patrols in Great Lakes coho salmon fishing areas.

Lt. R. J. Kilroy, commander of the Two Rivers, Wis., Coast Guard Group, said that the operator's licenses are required even if only one passenger is carried in the boat for hire and that the licenses are issued only after the applicant passes both a physical and written examination.

## St. Ignace Exams

The only place in which the examinations are administered in the Upper Peninsula is at the Coast Guard Station in St. Ignace.

Attending the meeting were representatives of the Coast Guard, Michigan Conservation Department, sheriff's departments from nearly all U. P. counties, state police and the U. S. Weather Bureau.

Main purpose of the meeting was to coordinate the resources of all the agencies involved in a single unit in hopes of avoiding catastrophes like that of last year when seven coho salmon fishermen drowned during a storm off the western Michigan shore of Lake Michigan.

The agencies hope to coordinate

all communications, boat facilities, personnel, aircraft, etc., during emergency weather conditions in salmon fishing areas.

Representatives reviewed an inventory of all equipment their agencies have available for emergencies. The Conservation Department, it was pointed out, has a 32-foot boat with two-way radio and six Boston whalers in the Upper Peninsula. Coast Guard craft includes boats from 32 to 110 feet in length.

## Weather Bureau Aids

Local weather stations — like the one in Marquette — would welcome information from sports and commercial fishermen who are on Lake Superior regarding unusual weather developments.

The Conservation Department agreed to supply all Coast Guard stations and sheriff's departments in the Upper Peninsula with weekly Great Lakes fishing reports to advise them on the fishing outlook.

James Hadley, Lansing, administrator of the Conservation Department's boat and water safety section, reported that 40,000 students have been trained already this spring in Michigan in boating safety courses administered by the department and conducted by sheriff's officers. These are all youngsters between 12 and 16 years of age who this year for the first time are required to take this course in order to legally operate a motorboat of more than six horsepower.

## Home Building Still Expected To Show Gains

(Continued From Page One)

member banks usually shows up in the individual banks' lending rates. The discount rate was raised again Thursday after the survey was completed.

## See Land Boom

Some industry spokesmen say peace in Vietnam would spark a building boom and loosen up mortgage money.

"If peace is effected in Vietnam, look for a fantastic land boom in Southern California," says Sanford R. Goodkin, a Los Angeles real estate consultant.

John M. Wetmore, research director of the Mortgage Bankers Association of America in Washington, said peace would ease government military spending, lifting some heavy money-raising chores from the nation's capital markets and make more mortgage money available.

## Three Emperors' Battle

The Battle of Austerlitz in 1805 has been called the Battle of the Three Emperors. The emperors were Napoleon I, Alexander I of Russia and Francis II of Austria.

ESTATE OF ARNOLD J. LANCOUR

GERMANY WILL be the next duty assignment for Staff Sgt. Oliver W. LaPalm, U. S. Army, who is presently at home on leave. He is the son of Mr. and Mrs. Norman LaPalm of 215 N. 19th St., is a 1964 graduate of Holy Name High School, and has been in the Army for almost four years. He served in Korea in 1955-56, will leave next week for New Jersey and from there will be sent to Frankfurt, Germany.

# Paperic To Head March Of Dimes

Albert Paperic has been named chairman of the Delta County Chapter of The National Foundation-March of Dimes. He takes over the post from Myron T. Austad, Escanaba, who served 9 years. Paperic has been active in the March of Dimes, having served as director of the 1968 campaign.

Paperic will supervise the activities of the local chapter which gives financial assistance to birth defect patients and post-polio patients in Delta County. He will also be active in next January's March of Dimes campaign which finances this service.

Paperic said: "The great majority of birth defects can be treated and completely corrected, if they are detected early and given the best care known to modern medicine. Medical care of this high quality is available at 100 March of Dimes-supported birth defects centers at leading medical institutions throughout the nation, including a center at the

Albert Paperic

University Hospital in Ann Arbor."

March of Dimes funds also support the Salk Institute for Biological Studies in San Diego, Calif., where scientists work to learn more about the basic process of life. Their research relates not only to birth defects but to all diseases.

Paperic is manager of King Optical Co., of Escanaba. He is a Vestryman at St. Stephen's Episcopal Church, and the newly elected secretary of the Escanaba Junior Chamber of Commerce.

He is married, has 3 children and lives at 205 N. 20th St.

# League Studies City Charter

Escanaba's city charter will be the topic of discussion at unit meetings of the Escanaba League of Women Voters next week.

Mrs. Frank Neumeier, who served as secretary of the Charter Review Committee, will discuss the city manager-council form of government within the framework of the city charter.

The League is in the process of revising and updating its handbook on local government, "Know Your City." The discussion of Escanaba's form of government will provide background information for this study. The local League has long held a position on the support of measures which strengthen a sound city manager-council form of government, and each year attempts to review and bring itself up-to-date.

The evening unit will meet at the home of Mrs. N. L. Lindquist, 1815 Lake Shore Drive on Monday, April 22 at 8 p. m.; and the morning unit at the home of Mrs. James Fitzharris, 700 Lake Shore Drive on Wednesday, April 24 at 9:15 a. m.

In addition to the discussion of the city charter, the League will discuss the adoption of an emergency study item on housing problems in Michigan. It is felt that "the state and nation face an urban crisis that is as complex and potentially dangerous as any problem this country has ever faced. Housing is one vital aspect of the total problem." Mrs. Ray Godmer will lead the discussion at the evening unit, and Mrs. William Taylor at the morning unit.

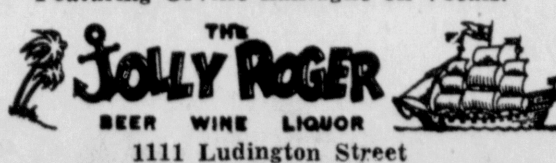

Interested women in the community and in the surrounding area are invited to attend. Transportation can be arranged by calling Mrs. William Taylor, 786-1123.

## Sheikdom's Population

Abu Dhabi, largest of the seven British-protected sheikdoms scattered along the northeastern coast of the Arabian peninsula, has a population of about 18,000.

# Brayak Wins Bentley Award

Gary S. Brayak, son of Mr. and Mrs. Steve Brayak, Rte. 1, Bark River, has been named winner of an Alvin M. Bentley Foundation Scholarship Award for excellence to Bay de Noc Community College for the academic year 1968-69.

Brayak's \$250 scholarship is one of the major awards presented to 60 Michigan colleges and universities by the Foundation this year.

Bentley said, "The choice of Gary Brayak for a scholarship by Bay de Noc Community College results not only from the attainment of an excellent academic record, but also from his achievement in extracurricular activities, which exemplifies the ideals of the scholarship policy of the Foundation."

The Bentley Foundation is currently contributing \$69,000 for scholarships for the academic year 1967-68. Its commitments for the school year will bring total contributions to \$477,000 for the seven years the foundation has been in operation.

# NMU Alumni Plan Dinner Meeting May 4

The Delta County Alumni Club of Northern Michigan University will hold its annual spring dinner meeting on May 4 at the Terrace Supper Club, Escanaba. Dinner will be at 7:30 and a social hour at 6:30 o'clock.

Reservations may be made by calling Dr. Don Alimenti, 786-4512, Miss Tyne Kangas, 786-0139 or Ken Myllyla, 786-5674.

The Delta County Alumni Club will again sponsor a \$100 scholarship for a student from Delta County attending Northern. The program is now in its second year.

Speaker for the program will be Ogden E. Johnson, interim president of Northern. Glenn Brown, Northern's basketball coach will present a film on basketball at Northern.

Also attending from Northern will be Rollie Dotsch, head football coach and Tom Peters, alumni director.

# Professorship At U-M Honors King

ANN ARBOR (AP) — A drive to raise \$50,000 to establish a Martin Luther King professorship at the University of Michigan has been started by a group of faculty and students. The committee hopes to establish the professorship representing "the broad social and human concerns to which Martin Luther King devoted his life" next fall.

# City's Retailers Plan Promotions

Committee appointments were announced by Roger Jenshak, chairman of the Retail Division of the Escanaba Chamber of Commerce, at the April meeting at the Sherman Hotel.

Pat Kinn, chairman, Roger Jenshak, Ed McCarthy and Pat Farrell will develop plans for a Lucky Number promotion to be held in May.

Plans for the Moonlight Madness promotion to be held in June are being made by Ange-

line Hakes, chairman, Ruth Beck, Catherine Danielson, Marie Christensen, Carris Larson, Josephine and Marg Saykly and Nicky Traverse. Store personnel will be asked to dress in costume for the event and the committee is considering awarding prizes for the best dressed sales person and the best dressed customer.

A style show for the women attending the U. P. Independent Insurance Agents Association convention in Escanaba will be held the morning of Thursday May 23. Arrangements are in charge of Angelina Hakes, chairman, Ruth Beck and Carrie Larson.

Pat Kinn and Ralph Zenker, co-chairmen, will be assisted by James Jacobs and other members of the Retail Division in arranging details of the successful July Sidewalk Day event.

Full details on the above promotions will be announced as soon as details are formulated by the committees. An April Coupon Day is scheduled and Door Buster promotions are continuing.

Methods to curb shop lifting in local stores was discussed at some length by the members of the division and the Chamber has ordered a film showing the method of operation by shop lifters which will be shown to the sales personnel in local stores.

Members of the Retail Division were advised that an out-of-town promoter under the auspices of the local Eagles Club had been denied permission by the Solicitation Control Committee of the Chamber for telephone solicitation involving the sale of tickets for an entertainment film. The solicitation agreement does not approve this type of solicitation, it was reported.

# Msgr. D'Amour Rites Changed

Funeral arrangements for Msgr. O'Neil D'Amour who died Thursday in San Francisco, have been changed as follows: Visitation will be held from 2 to 10 p.m. Sunday at St. Thomas the Apostle Church. Members of the 4th Degree Knights will serve as the honor guard during the visitation.

A Memorial Mass will be held at 8 p.m. Sunday at the Church and at 9 a.m. Monday a parish Memorial Mass will be held which the school children will attend.

At 10:30 a.m. Monday the clergyman's body will be brought to Holy Name High School where Bishop Charles Salakta will concelebrate the requiem Mass at 11 a.m. Burial will be in Holy Cross Cemetery.

## Bellboy Honored

COLUMBIA, S.C. (AP) — The South Carolina House of Representatives has unanimously adopted a resolution expressing regret at the death of Ernest T. Redd Sr., a Negro bellboy at a Columbia motel for many years.

State Rep. Isadore Louie of Richland County, author of the resolution, referred to Redd as an "institution... a medium of understanding between the races" who was known by most state legislators.

## DELONA RESTAURANT

At the suggestion of Councilman Harold Vanlerberghe the Council asked for a complete report on city-owned lands, with the thought the Planning Commission may then make recommendations for their most desirable use.

In other business the Council presented a watch to Justin Shepherd, retiring public works employee. He has been on the city payroll for about 15 years. A statement of appreciation to James Trotter, Radio WDBC, who has accepted a position in Green Bay, for his coverage of Council sessions, was adopted. The Council also designated the week of April 21 as Bicycle Safety Week.

Read into the record was a communication that referred to a previous communication to the Council from Leo Rahoi, who has been critical of the management of the Escanaba Municipal Airport. The statement in part was: "The City Council has complete confidence in Jon Thorin and the manner in which he operates the Escanaba Municipal Airport."

## Small Army

The Encyclopaedia Britannica of 1860 reported that on the eve of the Civil War the Union Army consisted of slightly less than 13,000 men. However, the militia totaled more than 2.7 million.

## C&NW Asks For More Time To Answer Hanna

Hanna Mining Co. of Cleveland announced today that it had been notified of the request of the Chicago & North Western Railway to the Interstate Commerce Commission for an extension of time to reply to the reply of Hanna Mining to the C&NW's complaint in the Escanaba ore haul case.

A Hanna spokesman said that his firm assumed that the ICC would grant the North Western's request for an extension of time until May 21 since Hanna was not objecting to the request.

The North Western's reply to Hanna's reply had been due for filing with the ICC by April 20.

### Fear Loss Of Haul

The North Western on March 4 asked the ICC to order Hanna Mining to divest itself of ownership of the Escanaba & Lake Superior Railroad, which the North Western fears the mining company will use to haul iron ore pellets from Hanna's Groveland Mine in Dickinson County to the Port of Escanaba. This ore traffic is now handled by the Milwaukee Road in association with the North Western in their pooled ore operations from the Menominee Iron Range to the Port of Escanaba.

The Hanna shipments of natural iron ore and pelletized

ore from the Menominee Range constitutes about half of the North Western's ore shipments from its Escanaba dock.

When Hanna Mining bought the E&LS Railroad through its wholly-owned subsidiary, Wells Randville, Inc., in 1962, it was publicly assumed that it was for the purpose of moving its own Groveland ore from Randville in Dickinson County to lakeside at Escanaba on its own railroad, the E&LS, or that it intended to use this potential as a bargaining point with the North Western on ore haul charges.

### Plan Ore Line

Hanna's planning for use of the E&LS as an ore haul road—which it used to be—went to the point of optioning a site for a dock in Wells, a suburb of Escanaba, and of asking the Michigan Conservation Department for permission to cross state forest lands with a spur track from the Groveland Mine at Randville to the nearest E&LS track at Ralph, a distance of about 14 miles.

The North Western, unable up to that point to reach an agreement for Hanna Mining participation in its projected new Escanaba Ore Terminal, which the City of Escanaba is financing with an issue of \$16 million in industrial revenue bonds, filed a complaint with the ICC opposing the E&LS ore haul project.

### Complaint To ICC

The C&NW complained that Hanna "through the device of numerous affiliated and subsidiary corporations was unlawfully acquiring control and management of two or more carriers (railroads) subject to the jurisdiction of the commission, in violation of the Interstate Commerce Act and the Clayton Act."

The North Western announced its intention of seeking an injunction in federal court to prevent construction of the Randville-Ralph line by Hanna if it launched such a project. Hanna's reply said that the North Western complaint to the ICC failed to make a case and it asked dismissal of the action.

While this sparring between mining company and railroad goes on before the ICC, the two parties are reported to be negotiating for an arrangement under which the C&NW would continue to haul the Hanna ore from the Menominee Range to Escanaba.

### Briefly Told

**James Burroughs**, 18, 1212 Lake Shore Dr., Gladstone, was charged with being a minor in possession of beer today by State Police. Officers said his car was stopped about 2:45 a.m. today.

**Agnes Willis**, 32, Wilson, pleaded innocent Thursday when arraigned before Justice Ross Davis of Gladstone on a charge of uttering and publishing insufficient funds checks. She was arrested by State Police. Trial of her case was set for May 3.

**Wesley Sundquist**, Rte. 1, Bark River, was ticketed by State Police Thursday for driving with an obstructed rear view — no rear view mirror.

**Escanaba police** are today investigating the reported breaking and entering of the Auto Parts Exchange, 828 N. 21st St. There was no immediate report on the loss.

**Men interested** in becoming members of the Loyal Order of Moose, which is now being organized here, were advised that they may register at the Piggly Wiggly Store, with City Ambulance office or at Tim & Sally's at any time. More than 50 prospective members were reported. All were requested to attend a meeting to be held at Tim & Sally's at 8:30 tonight.

**Cub Scout training** session will be held at the Franklin School from 1 to 4 p.m. Sunday. Instructions will include, den meeting methods, pack meeting procedure, cub scout planning and summer programming. Men and women of all area cub packs are invited.

OFFICERS OF THE U. S. 2 Improvement Council, from left, Donald Brumbaugh, Norway, secretary-treasurer; William Asselin, Norway, chairman and Leo DeMars, Manistique, vice chairman, met with William Karas, right, engineer-superintendent of the Delta County Road Commission, at an Improvement Council meeting Thursday at the Terrace. (Daily Press Photo)

## U.S. 2 Council Supports County's 4-Lane Request

The Michigan U. S. 2 Improvement Council Thursday added its support to Delta County requests that the State Highway Commission advance its scheduled four-lane highway project from Gladstone to Rapid River to the 1969 construction program.

About 40 members of the council from seven Upper Peninsula counties met at the Terrace.

The resolution in support of the Delta County project asked the Highway Commission move immediately in rescheduling the planned construction. The project has been repeatedly postponed, the latest moving construction back in 1972.

William Karas, engineer-superintendent of the County Road Commission and chairman of the Delta County delegation, told the group that the 4.5 mile project carries top priority for

U. S. 2 improvements in this area.

Harold Vanlerberghe of Escanaba said the Roads and Bridges Committee of the Board of Supervisors also has urged action.

Karas said that resolutions approving the project have been adopted and forwarded to Lansing officials by the City Commission of Gladstone. He said this eliminates the objection the Highway Dept. cited at a recent meeting at Iron Mountain.

### Traffic Heavy

Karas said that traffic count on the highway justifies the project and that Delta County doesn't want to wait until 1972 for construction to start.

He said the project already has been delayed for 11 years.

Delta County also requested the Highway Dept. to conduct a survey of the area for the proposed limited access highway

which would cross the Upper Peninsula and bypass Escanaba and Gladstone.

He pointed out that the Escanaba area is in the midst of a great industrial expansion and that homes for 500 new families are going to be needed.

"We don't feel we should build where a highway might be going through," he emphasized.

The Delta County delegation also suggested support for the improvement and updating of U. S. 2 from Rapid River east to Manistique.

Proposals from Delta County were made in response to a request from the Improvement Council that counties along the route submit suggestions about what could be done to improve the highway.

William Asselin of Norway, chairman of the council, said

## Death Claims Glen Losey

GERMFASK — Glen Losey, 70, of Germfask died suddenly at 6:25 a.m. Thursday at the Fred Papple home in Mequon, Wis.

He was born Oct. 14, 1897 and had resided most of his life in Germfask. He was married to the former Adalaide Belknap in 1921. Mr. Losey was a member of the Reorganized Church of Jesus Christ of Latter Day Saints of Germfask and was employed as a watchman for the Michigan State Highway Department, retiring in 1963.

He is survived by his widow; one son, Glen Jr. of Germfask; three daughters, Mrs. Fred (Geraldine) Papple of Mequon, Mrs. John (Bernice) Lustila of Germany, Mrs. Stephen (Bernadine) Lozides of Nahant, Mass., 11 grandchildren and two great grandchildren.

Friends may call at the Messier-Broulliere Funeral Home after 5 p.m. today and funeral services will be conducted at 3 p.m. Saturday at the church. Visitation will be held from 2 to 3 p.m. at the church. Burial will be in the Germfask Cemetery.

James T. Orr

## Jaycees Elect Orr President

James T. Orr, manager of the Production Credit Association of Escanaba, will be installed president of the Escanaba Jaycees at the organization's June meeting.

Orr, who has been active in the Jaycees for the past three and a half years, was selected president at the club's meeting Wednesday night at the Dells Supper Club.

Other officers elected were Jim Davidson, external vice president; Ken Wicklander, internal vice president; Elmer (Bud) Besson, treasurer; Al Paperic, secretary, and William Rodman and John LeMire, directors.

Orr joined the Escanaba Jaycees after moving to the community from Juneau, Wis., last May. During the past year he has been chairman of the Speak Up program. He has been secretary of the club since January and was awarded the Jaycee Spark Plug award, indicative of his active part in the organization activities.

A member of Bethany Lutheran Church, Orr is an active sportsman and is interested in the city sports program. He resides with his wife, Mary, and sons, Bill and Jim, at 1117 Lake Shore Dr.

## Henry Jasper Taken By Death

Henry Jasper, 79, a life long resident of Carney died April 18 at St. Joseph-Lloyd Hospital in Menominee. He was a retired farmer.

He was born May 23, 1888 in Carney and was married to the former Josephine List June 21, 1921 in Leopold, Wis. Mr. Jasper was a member of St. Bruno's Church of Nadeau, the Holy Name Society and the Third Order of St. Francis.

He is survived by his widow; one son, Anthony Jasper of Carney; two daughters, Mrs. Raymond Smiltneck of Butler, Wis. and Mrs. Henry Folcik of Carney, and 25 grandchildren.

Friends may call at the Diehm Funeral Home in Stephenson after 2 p.m. Sunday and the parish Rosary will be recited at 8 p.m.

Funeral services will be conducted at 9 a.m. Monday at St. Bruno's Church in Nadeau with the Rev. Ralph Sterbenz officiating. Burial will be in the Nadeau Township Cemetery.

## No Cause Verdict Returned In Suit

A Circuit Court jury Thursday returned a verdict of "no cause for action" in a civil suit by an Ishpeming couple against Remo, Ida and Marc Sabuco and Michigan Cosmetologists Association, Inc.

Mr. and Mrs. John Jackson had asked damages for injuries allegedly suffered by Mrs. Jackson in an alleged fall at Marco's Restaurant in Escanaba on May 19, 1965, during a beauticians conference.

Trial before Judge Bernard H. Davidson in Circuit Court began Monday.

## Buying Mental Health

Marquette County is urging Delta County to join it and Alger County in a mental health district.

Delta already is associated in a compact with Marquette and Alger to share mental health services.

Marquette is asking Delta to go all the way now and join up as a full partner in a three-county mental health district under the provisions of Act 54, the Michigan law which distributes aids to mental health departments.

Marquette says its purpose in proposing that Delta sign up for full partnership in the three county district is selfish. The present arrangement, with Delta an associate only in a compact, fails in two big ways:

1. There aren't enough people in Marquette and Alger counties to make the State Department of Mental Health happy or to satisfy the law on population qualification for full aid to health districts.

2. The present compact doesn't qualify for the Michigan Municipal Employees Retirement System. The pension system is needed to attract staff to the area for our mental health clinics. These people are in short supply and they shop for positions and retirement benefits are prime attractions.

The Delta County Board of Supervisors holds the key to the situation. It controls the county's status in the mental health program. It turned down an earlier proposal to join with Marquette and Alger counties in the creation of a mental health district. It expressed desire for Delta to have its own mental health department and it finally agreed to join Marquette and Alger only in a compact, so that it could go its own way later if it elected to do so. (It could still do this if it joins the proposed district.)

Delta is properly concerned about the buildup of medical, surgical and specialized health services in Marquette without comparable buildup in the Escanaba area. It reasoned that creation of a Delta County Mental Health Department would mean the location here of a psychiatrist, psychologist and other specialists of the mental health field.

As a member of a tri-county health department it feared that it would get these services only on an itinerant basis, with the professional staff living in Marquette.

The compact created in 1967 seemed to solve the problem for the time and assured the federal grant which is bearing most of the cost of operating the department in its first phase.

But Marquette took a second look at the situation and found it still faulty in its lack of provision for full aid to the department for lack of population and its lack of a retirement system for staffers.

So it is again inviting Delta County to sign up as a full partner, with 5 members for Delta on the proposed Tri-County Act 54 Board, 5 members for Marquette County and 2 members from Alger County.

Dr. George Maniaci, the leader of the county's effort to provide adequate mental health services, is recommending that Delta join the proposed district on this basis. The Escanaba Daily Press urges Delta sign up, too. Dr. Maniaci says that there are many advantages in Delta joining a three county district and no disadvantages.

"It will not alter services at the present time and, if anything, would insure continued development and continued favor of the State Department of Mental Health," said Dr. Maniaci.

He says that the only thing to be feared is that the Delta Board of Supervisors might not direct active members from Delta County to represent it on the three-county board. Any lack of strong representation would, of course, invite control by Marquette County.

Unspoken is these deliberations, it seems to us, is a natural conservatism of county board of supervisors about any large new field of public service. The eventual size of financial demands upon the county for this program is not clear, but this is a problem which must somehow be watched and controlled and which cannot be solved by non-participation in an adequate mental health program. That would inevitably mean a larger welfare, hospitalization, and institutionalization cost to the county with an accompanying loss of the usefulness of many citizens.

The trend is away from "brick and mortar" (hospitalization) aid to the mentally ill and toward outpatient treatment of such persons. This is what is being proposed here and the Delta County Board of Supervisors should buy it. Marquette's offer of equality of control of the department is sincere and it is generous, since it is the more populous county with a going mental health establishment at juvenile and adult levels. This way we'll get resident staffing and more of a program of mental health services than we can finance with our own means.

## Answer This Knock

During April, there will be a knock at the door from a volunteer of the American Cancer Society, prepared to leave life-saving information, and asking support for the Society's work.

The volunteer will also be one of some two million who each April go out on the "Cancer Crusade."

The Cancer Society informs us some 200,000 Americans will be saved this year. An additional 100,000 might be, but won't — because diagnosis and treatment may come too late. The information the Cancer Crusade volunteer will bring can be a matter of life. Yours!

The Cancer Crusade — while it's tied in with the national Cancer Crusade to finance research seeking cures for the disease — is as local as City Hall. The Delta County quota is \$8,574 and John LaBranche is Crusade chairman. No humanitarian cause tops this one.

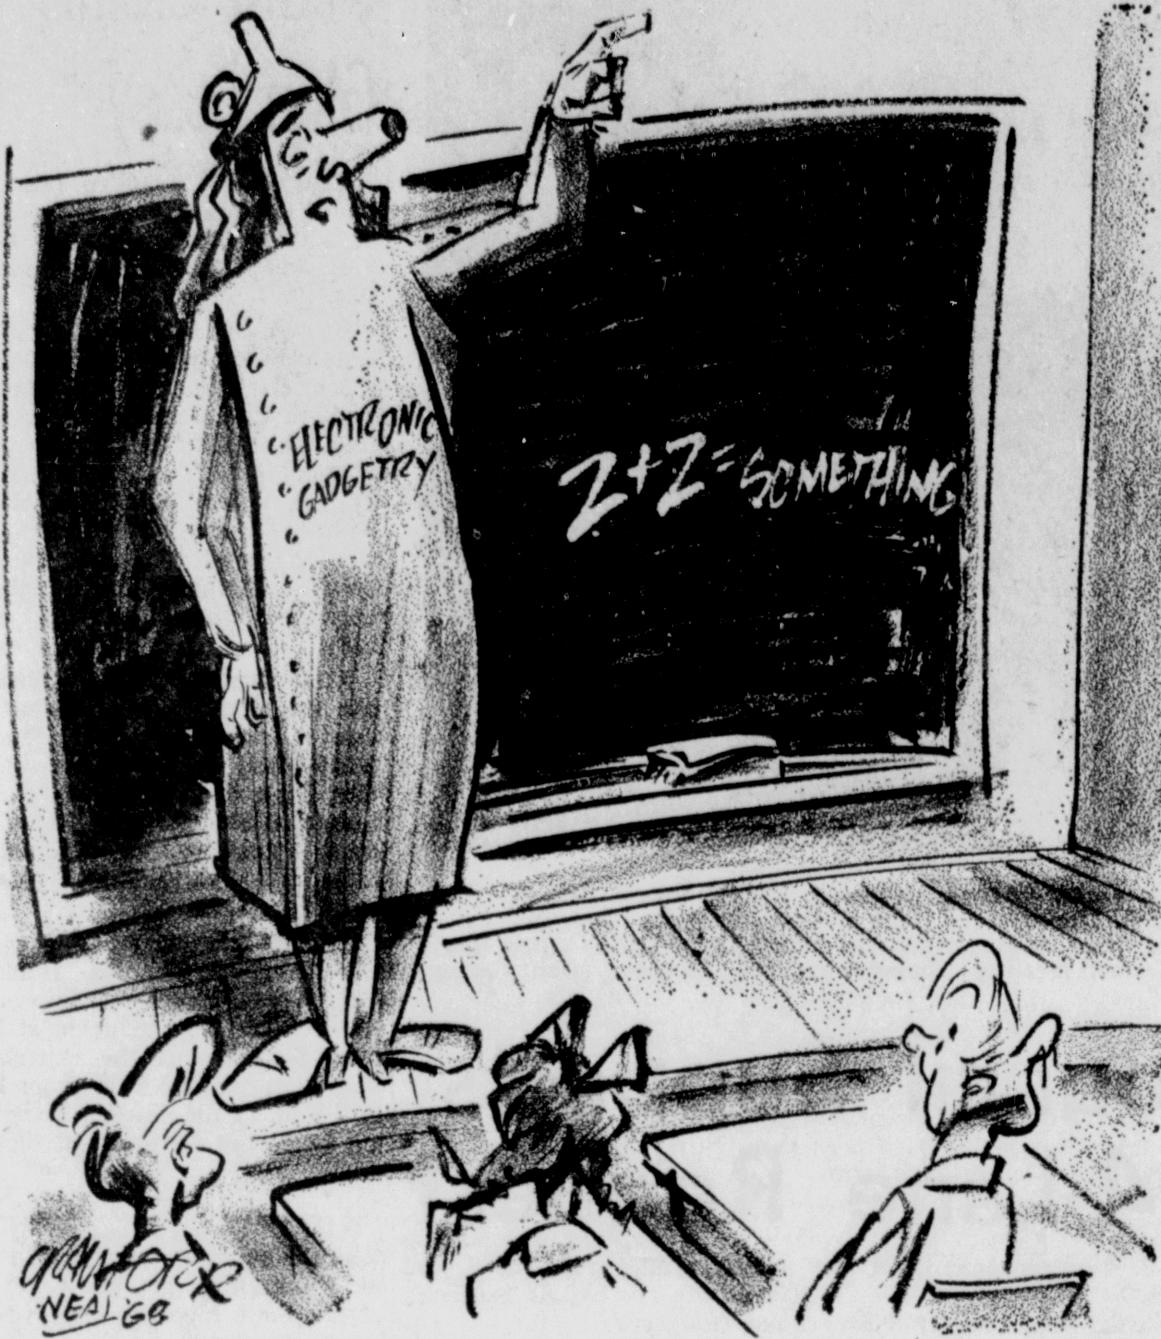

## C&H Cuts Price Best Sellers Of Lake Copper

NEW YORK (AP) — Calumet and Hecla Inc., says it has re-established its producer price of lake copper at 42 cents a pound. The new price is effective immediately. The price had been 43 cents a pound.

Calumet also said its Wolverine Tube Division was reducing seamless copper and copper alloy tube prices to 55 cents per pound of copper content from the previous price of 62 cents.

## Letters To The Press Press' Church Feature Wins Freedom Award

Contributions are welcome. They cannot be over 300 words and must be signed with name, address and phone number of writer and names will be used. The right to condense letters is reserved.

KOBE

Perhaps you can help me in securing the present whereabouts of a Mr. Harry H. Shepherd (Shepherd?). His present age is probably between 45 and 50. He is a graduate of the University of Michigan, served in Japan after World War II and is well known in Boy Scout activities. Apparently he is, or has been, a resident of the U. P.

The request originates from a Japanese friend who is assistant cashier at the Osaka branch of the Bank of America. Mr. Kadota holds this man in high esteem but has lost track of him and if you are successful in forwarding an address, he would like to correspond with him.

Things are moving along well over here. The famous Cherry Blossom season is at its peak (Apr. 9). The Japanese really make excursions to visit the areas where the blossoms are at the fullest and the trains are packed to the point where it is not a question of whether there is standing room but rather if there is breathing room left.

We had the pleasure of Gail Fawcett visiting our home in Kobe in January during a stop-over of her university ship.

What is the latest from Escanaba? Somewhere I heard that municipal revenue bonds were declared no longer tax exempt and this could complicate things in Michigan as well as other states.

Would appreciate your entering my subscription to the Press for a three month period. Send direct by sea mail and advise me of the cost and I will forward a check. If you prefer to mail weekly instead of daily this would be satisfactory.

Hydrafoil boats are a popular means of transportation here on the bays and sea. They carry 80 passengers at a speed of 50 miles an hour and it feels like flying over the water. On rough seas it can be a rather thrilling ride. A one hour trip of a little over 40 miles costs \$2.78. We have affiliated operations at Tobo and Toyohashi and I have made a number of trips there.

Ray Fish  
Kobe, Japan

GUILT

Because of the widespread interest in my letter, "Tranquility," printed in the Escanaba Daily Press, April 11, I feel that I should, if permitted, add a further comment on the dangers inherent in charging all of the people of the U.S. with equal guilt for the evil deed of one individual.

It is always a dangerous procedure to make blanket accusations. It is presumed in the courts of the U.S. that a person is innocent until he has been proven guilty. In the U.S. we do not follow the pattern of totalitarian states in which men are convicted of guilt by association. The dangers in this type of accusation is abundantly illustrated in the history of the Jewish people.

The Christian church to its everlasting shame accused the whole Jewish nation for the death of Jesus of Nazareth. Anyone the least familiar with the historic background of Jesus's life will know that it was the ruling clique in Jerusalem who set the wheels in motion for Jesus's death upon the cross.

The fruits of this blanket accusation has been a harvest of suffering and tears and bloodshed. For many centuries

the Jewish people were non-persons, not permitted to own property, without the rights of citizenship. Jew baiting became a common diversion, and to the everlasting credit of my friends the Jews, they accepted suffering with fortitude and an ever strengthening faith in the justice of their God.

The Christian church in thus convicting the whole Jewish nation for the evil of a few of the nation's leaders, prostituted Jesus's teaching on brotherhood and love, and it placed a blemish upon itself which will not be erased as long as time lasts. It is only within very recent history that Pope Paul attempted to lift the wholesale conviction of the Jews for the death of Jesus.

But the Pope's denial of the charge did not come until after millions of Jews had died in Hitler's gas ovens. Let no one jump to the conclusion that I place the responsibility wholly upon the Roman Church. The genocide of the Jews under Hitler occurred, of all places in Germany, which was officially a Protestant nation, the birthplace of Martin Luther and Philip Melancthon. Protestantism can hardly draw a mantle of righteousness about itself. It also must share in the responsibility of creating a world in which the Jewish nation became the scapegoat for all manner of crimes against human personality, and against God.

My great concern is that the church and the nation shall not make the same error once again. Let us not set in motion forces which we shall find it impossible to control.

I close with the familiar words from President Abraham Lincoln's second inaugural address: "With malice toward none; with charity for all; with firmness in the right as God gives us to see the right; let us strive to finish the work we are in; to bind up the nation's wounds... to do all which may achieve and cherish a just and lasting peace among ourselves and with all nations."

Karl J. Hammar  
307 S. 25th St.

## Incomes Jump Again In March

WASHINGTON (AP)—Spurred by increased Social Security benefits, personal income in March jumped by \$6.7 billion to an annual rate of \$667 billion, the Commerce Department reported today.

Although the March pace was below February's \$8.4 billion advance, the department said the increase in income for the first quarter of the year—16 billion—was the largest on record.

The report was the latest in a series of bullish economic data published by the government for March and the first quarter. Government economists contend the nation is overexpanding and the need is urgent for higher taxes to stem inflation and produce a lower but more sustainable rate of growth.

Transfer payments, mainly Social Security benefits, rose \$3.3 billion at an annual rate during March accounting for almost half the entire monthly advance.

Increased Social Security benefits recently enacted by Congress first showed up in March benefit checks.

All types of income, including farm income, increased during the month.

Pass	5 ♣	Pass	5 ♣
Pass	6 ♣	Pass	6 ♣
Pass	Pass	Pass	Pass
Opening lead—♠ 4			

The previous four columns have been written by James Jacoby to describe his new team. Today Jim goes one step further by asking his teammate Bobby Wolff to write about his favorite hand of all time.

Bobby writes, "I usually get into the bidding with two aces and five spades, but the unfavorable vulnerability and may be a sudden burst of caution caused me to pass over South's heart opening. After North's three heart and South's four heart calls I expected to lead against a routine game contract, when much to my surprise North cue bid both diamonds and clubs and thereby carried South to a heart slam.

"It isn't often that I find myself on lead against a slam with two aces. It is even less frequent for me to decide not to bid. Fortunately the bidding proceeded slowly so that I had time to think over my lead while South was puzzling over his partner's six club call. It wasn't hard to decide against the club lead. North clearly had shown that he did not have any clubs. It also seemed pointless to lead a red card.

"The suit to attack was spades. North had bid just like a man with the king of spades. I couldn't get two tricks by leading my ace. Maybe an underlead would work. I led the four of spades. South pondered, played dummy's jack and went down one."

This happy ending reminds us of one of Oswald Jacoby's least happy hands. He also underled the ace of spades against a heart slam. Dummy held the queen; declarer the jack. After a low play from dummy, third hand played the 10 of spades instead of the king and declarer made an impossible slam.

Q—The bidding has been:  
West North East South  
Pass 1 ♠ Dble 2 ♠  
Pass 3 ♠ Pass ?

You, South, hold:  
♠ K 8 7 6 ♠ K 3 ♦ 7 4 3 ♣ 8 5 4 2

What do you do now?  
A—Bid four spades. You have the same two kings you started with, but that king of hearts appears to be a key card.

TODAY'S QUESTION  
Again East doubles your partner's one spade opening. You, South, hold:  
♠ K 8 7 6 ♠ K 3 ♦ K 8 6 5 4 ♣ 3 2

What do you do now?  
Answer Tomorrow

## Free Coal

BENTLEY, England (AP) — Hundreds of amateur miners dug free coal after workers building a new portion of highway uncovered a coal seam near Bentley. Diggers carted away tons of coal that would have cost \$1.50 for 112 pounds. They dug about eight feet into the seam.

## Ann Landers

## 'Average Guy' Gets Just Slim Rewards

Dear Ann Landers: I'm a high school senior who gets along O.K. The problem is my father. He's a self-made man and doesn't let me forget it for a minute. He keeps badgering me to be "tops," although I have tried to make him understand that not everybody can make the grade, or wants to.

Is there anything wrong with being just an average guy? The double domes and eager beavers in our school are laughed at behind their backs. Average guys seem happier and are better liked. They aren't always in a sweat. They are also better rounded because they aren't breaking their heads to excel in one thing—like grades.

I am satisfied to just get by. Please tell my dad that there is nothing wrong with being an average guy and to get off my back. When I try to tell him he gets mad.—ME

Dear You: I don't think you have to worry about being tops. With your attitude there's little danger.

Not everyone can be a world-beater. It takes energy, drive, tenacity and discipline. You seem quite proud of the fact that you have none of these qualities.

Since you are content to "just get by" I trust you are also prepared to settle for everything that goes with mediocrity. I trust, too, that you won't be bitter when you see your ambitious, hardworking buddies reap the rewards that come with making it big in this highly competitive world.

Dear Ann Landers: I am going crazy and I need your help. I took this secretarial job three weeks ago. It pays extremely well and the people are pleasant. The problem is my boss. The first thing he does when he comes to the office is turn on the radio and it stays on until he leaves. I go home at the end of the day completely exhausted. It is only 9:45 a.m. as I write this letter and already the side of my head is numb. I am taking tranquilizers and have tried ear plugs but they make me nervous because I am afraid I will not hear the boss' buzzer.

The station my boss prefers is a high frequency station and there must be something about the tone that reacts badly on my ears. He once had the radio on FM and it didn't bother me at all. Perhaps an ear specialist could explain this.

## Special Study At Adventist Church Saturday

Can a promise given by a God who has never been seen be believed? That question will receive special study at the Escanaba Seventh-day Adventist Church, 210 S. 23 St., Saturday, April 20, at 10:45 a.m. by congregational members meeting in two different adult study groups.

"Twentieth century materialism causes some long-time Christians to question whether or not the promises of God written in the Bible are relevant to our day," said Joseph Hainault, 1414 1st Ave. S., Sabbath school director of the local church.

The question of believing God's promises will be a part of a discussion entitled, "Faith and God's Promises", which church members and interested visitors will study from the various Biblical books.

Hainault also noted that the church's 10:45 a.m. service will present a South Pacific mission report by Ross Feak of Rte. 1, Escanaba.

Worship services for the local church at 9:30 a.m. will feature a sermon by Joseph Hainault in the absence of Pastor L. A. Pomeroy who will be at the Munising Church. The sermon is entitled, "Temperance."

Participating in the Saturday worship service in addition to Hainault will be Jerry Snowden and Robert St. Clair.

"Grandma" Moses was 76 when she began painting in oil.

MR. AND MRS. LEONARD THOMPSON of Alpena announce the engagement of their daughter, Terry Lynn, to Thomas Richard Schmeltzer, son of Mr. and Mrs. Richard Schmeltzer of 109 N. 4th St., Wells. Both young people are presently attending Northern Michigan University. No wedding date has been set. (Delta Studio)

## Art Festival Set Sunday At Bethany

Bethany Lutheran's Post Easter season will consist of sponsoring the Northeast District Lutheran Children's Art Festival, Sunday, April 21.

Children ages 6 to 12 from the Northeast District of the Wisconsin - Upper Michigan Synod LCA have entered 27 paintings.

A display will be in the Church Fellowship room during the day and members of Bethany and friends my view the art after each service during a coffee hour. Parents are encouraged to bring their children.

Mrs. John H. Decker, Escanaba, has served as the Art Festival chairman of the District.

The judges meeting Saturday to select six winners are: Mrs. Alice Powers, Escanaba, John Gustafson, Gladstone, and Mrs. Albert Piquette, Escanaba.

The six winners will be awarded a blue ribbon and the paintings will be displayed at the Synod convention in Milwaukee, May 6-9. The six paintings will be in competition with nine other districts. Final winners from the Synod will go to the National LCA Church Convention in Atlanta, Ga. for final judging.

MR. AND MRS. OTTO RUTTNER SR. of Carney Rte. 1, announce the engagement of their daughter, Theresa Jean, to Allen Duane Lanaville, son of Mr. and Mrs. Willard Lanaville of Wilson Rte. 1. The bride-elect is employed by the Honeywell Corp. of Minneapolis, Minn., and her fiancé has recently been discharged from the U. S. Army, after serving in Vietnam. A June 8 wedding is planned.

## Story Time On Saturday

Story Time will be held at 10 a.m., Saturday in the Children's Room of Escanaba Public Library.

Stories will be: "The Adventures of Silly Billy," "Petey the Peanut Man," and "The Boy, the Cat and the Magic Fiddle."

All boys and girls of the age of three and above are invited to attend the program.

## People

Miss Peggy Townsend, daughter of Mr. and Mrs. Paul G. Townsend of Escanaba and Jean Stenick, daughter of Mr. and Mrs. Joseph S. Stenick of Rte. 1, Gladstone have received scholarships from the Muskegon Business College.

Peggy will pursue the general secretarial course and Jean a course in computer programming.

Mr. and Mrs. Sam Zappia have returned to their home at Hyde after spending three weeks visiting in Florida, California and Texas.

## Lemmer PTA Meets Monday

The John Lemmer School PTA will meet Monday at 8 p.m. Room visitation will be held at 7:30 p.m. Election of officers will be held and safety patrol and physical fitness awards will be presented.

Prantosh Nag of the Bay de Noc Community College staff will be the guest speaker for the evening. Fathers will be counted double in the room award and the first grade mothers will serve refreshments.

## Gospel Sangfest On Saturday

A Gospel sangfest will be held Saturday, April 20 at 7:30 p.m. at the Kipling Townhall.

The program will include special selections by the Gospel sangfest string ensemble, vocal solos, accordion selections and duets.

Refreshments will be served and the public is invited to attend.

## Events Square Dance

The Cotton 'N' Jeans Square Dance Club of Iron Mountain will hold a dance Saturday at the Kingford High School gym beginning at 8:30 p.m. Wally Schultz of Janesville, Wis., will be the caller.

## Breakfast Sunday

St. Anne's Holy Name Society Father and Son communion breakfast will be held after the 8 a.m. Mass on Sunday. All fathers and sons of St. Anne's are urged to attend. Reservations may be made by calling 786-2092.

## B & PW Club

A regular meeting of the Escanaba Business and Professional Women's Club will be held Tuesday evening, April 23 at the Sherman Hotel with the Membership committee, Pearl Witte, chairman, in charge of the program.

Either the outgoing vice president or the president pro tempore of the Senate administers the oath of office to the vice president-elect.

## Karen L. Burklund, Dr. Friedenberg Wed

Miss Karen L. Burklund and Dr. William Friedenberg, both of Chicago, exchanged wedding vows during a ceremony March 30 at St. Paul's Episcopal Church in Chicago.

The Rev. Joseph Dickson of Chicago and the Rev. Ben Helmer of St. Stephen's Episcopal Church, Escanaba, officiated at the double ring nuptials at 3 p.m.

Arrangements of white daisies, yellow daffodils and blue iris adorned the altar for the ceremony. The bride is the daughter of Mr. and Mrs. Lowell Burklund of Rte. 1, Escanaba and parents of the bridegroom are Dr. and Mrs. Sidney Friedenberg of Tuckerton, N.J.

Honor attendants for the couple were Joyce Bloomquist of Mount Prospect, Ill. and Dr. James Bieber of New York City.

## White Satin

The bride selected a floor length white satin princess style gown fashioned with a lace coat and chapel length train. A crown of lace and pearls secured her fingertip veil and she carried a bouquet of white daisies and baby's breath. The maid of honor was attired in an aqua satin coat and dress ensemble with matching headpiece and veil. She carried a bouquet of yellow and white chrysanthemums.

Mrs. Burklund wore for her daughter's wedding, a spring green silk sheath and jacket ensemble with matching accessories. She was presented a corsage of yellow rosebuds.

Mrs. Friedenberg chose a pearl gray knit suit with black accessories and she pinned a corsage of white rosebuds.

## Reception

The reception was held immediately following the ceremony in the fellowship room of St. Paul's Church.

The newlyweds are now at home at 500 W. Fullerton Parkway, Chicago and after July 1 will reside in Los Angeles, Calif.

The bride is a graduate of Es-

canaba Area High School and will graduate from Michael Reese School of Nursing June 23, 1968. Dr. Friedenberg is a graduate of Princeton University and Jefferson Medical College and is presently interning at Michael Reese Hospital and Medical Center. After July 1, Dr. Friedenberg will be a medical resident at Harbor General Hospital, Los Angeles.

## Births

JENSEN — Mr. and Mrs. Melvin Jensen of 325 S. 11th St. are the parents of a son, Alan Paul, weighing 7 pounds and 10 ounces born at 9:36 a.m. on April 18. He is the first child in the family and Mrs. Jensen is the former Janet Destrampe.

GREIS — A son, James Patrick, weighing 9 pounds and 14 ounces, was born to Mr. and Mrs. Edward Greis of Rte. 1, Gladstone at 1:16 a.m. on April 19. The mother was Sharon Milron.

## Outlives 7 Wives

CHICAGO (AP) — Cornelius Jones has given up on marriage, but not because he has outlived seven wives and not because he's nearly 107 years old.

"I don't think I'm too old to get married," Jones said. "But I just decided I'm not going to ask anyone to marry me."

Jones, an ex-slave, will be 107 Sunday but is being treated by an oldtimers' club to an early birthday party today.

Newspaper Want Ads are a big sell: One billion, twenty-one million was spent on classified ads last year . . . more than for all magazine advertising combined and more than 300 million more than radio advertising.

## Electric Co-op Gets \$385,000 Loan From REA

Loan of \$385,000 to Alger Delta Cooperative Electric Association of Gladstone by the Rural Electrification Administration was announced today by Congressman Philip E. Ruppe (R-Houghton) and Senator Philip A. Hart (D-Mackinac Island).

The loan will be used by Alger Delta to construct 14 miles of distribution lines to serve 200 new customers in its 5-county service area, with \$66,000 assigned to this project and to construct 6 miles of new tie lines.

It will also finance conversion of 47 miles of existing line from two wire to V-phase (3 wire line).

The funds will pay for two substations, at Rapid River and at Watson.

The improvements will set up Alger Delta to serve 5,028 customers on 1,076 miles of electric lines in five mid-Peninsula counties. They are Delta, Menominee, Schoolcraft, Alger and Marquette counties.

The REA reported that Alger Delta, which has been opera-

tive since 1938 has more repayment of REA loans in the total amount of \$1,110,512 principal and \$571,681 interest.

Wynand Nieuwenkamp, manager of Alger-Delta, said that \$236,000 of the loan would be used for system improvements including the two new substations, \$57,000 for reimbursement to the cooperative for improvements, and \$26,000 for a new truck.

## Eaton Reports Good Quarter

A significant increase in net profits for the first quarter of 1968 and an optimistic forecast for the second quarter featured the remarks of E. L. Ludvigsen, chairman of the board, and E. M. de Windt, president, before the annual meeting of shareholders of Eaton Yale & Towne Inc., at Cleveland this week.

Net income for the three months ended March 31, amounted to \$11.8 million, a gain of 26 per cent over the \$9.4 million for the same 1967 period. The figures were equivalent to 72 cents a common share for the latest period compared with 58 cents a year ago.

Consolidated sales were \$208.7 million, an increase of 5 per cent over the \$198.1 million in the first quarter of 1967.

Walter A. Marting, president of Hanna Mining Co., Cleveland and Vernon B. King, president of Truck Engineering Ltd. of Woodstock, Ontario, were elected directors.

## Holloway Road Bid Is Okayed

LANSING (AP) — Facing a threatened loss of \$900,000 in federal highway money the State Administrative Board today voted to award a four-times delayed highway contract to Holloway Construction Co. of Wixom.

The board, largely at the urging of State Atty. gen. Frank Kelley, had held off on approving the \$1.07-million project since Jan. 16.

Kelley, who investigated the State Highway Department last year, charged Holloway had received illegal overpayments and favored treatment from the department.

The Administrative Board voted without dissent to authorize Holloway to undertake a 1.9-mile building program on I 75 in Arenac County.

The board passed a resolution noting the U. S. Bureau of Public Roads has indicated it will withhold some \$900,000 of the \$1.07-million project unless Holloway, the low bidder on the project, was given the job.

## Johnson Cancels Congress Speech

AUSTIN, Tex. (AP) — President Johnson has called off a planned speech to Congress that many had felt would include sweeping new attacks on big-city problems.

He told newsmen Thursday while flying home from California that since he had originally scheduled the address, Congress has passed a civil rights bill with a strong open-housing section. He said he therefore no longer sees any need for a special address to a joint congressional session.

THE STATE FISHERY research vessel Steelhead, built in Escanaba by the T. D. Vinette Co. for the Department of Conservation, cleared from the local harbor about 3 p. m. Thursday for her permanent base at Charlevoix. The 60-foot

all-steel boat is commanded by Capt. William Palmer. She was launched here last fall and outfitted for research work last winter. (Dick Foster Photo)

## Lamprey Scars Increase:

# Trout Catch Too High, Gill Nets Ordered Out

The Michigan Conservation Dept. has temporarily closed the northern part of Lake Michigan to gill net fishing with 4½ inch mesh because of the "excessively high" catch of lake trout.

Conservation officials also expressed concern about an "alarming" incidence of lamprey scarring on lake trout taken and the total effect of the fishing and lamprey on the efforts to reestablish a productive lake trout fishery in Lake Michigan.

Henry VonDette, Marquette, regional fish biologist, said today that the incidence of lake trout taken in nets has ranged over 50 per cent with some lifts higher.

A report from a commercial fishing source said that in one

lift 79 per cent of the trout had lamprey scars.

VonDette said that commercial fishermen along the northern shore of Lake Michigan were given until today to pull their nets. The lake will remain closed until May 2 from about DeTour Point on the Garden Peninsula north to about Pt. Aux near St. Ignace.

The closing will be lifted when lake trout and whitefish populations in the lake diverge. Currently, the lake trout and whitefish are located in common waters.

Commercial fishing in the area had been by special permit issued by the Conservation Dept. Commercial fishing for lake trout is prohibited, but the permits allowed taking of whitefish with gill nets.

VonDette said that in a couple of weeks the problem of lake trout being in the same areas of the lake with whitefish will not exist. He said the whitefish will move into the shallower areas of the lake and the trout will move into deeper waters.

Conservation biologists are attempting to evaluate reports on the lamprey scarring.

## Overland Party Reaches Pole

WASHINGTON (AP) — The Weather Bureau said today a six-man American-Canadian expedition became early this morning the first party to reach the North Pole by surface travel since the 1909 Peary expedition.

A bureau spokesman said the news came from the agency's Arctic weather station at Ellesmere Island in Canada's north-west territories which has been keeping radio tabs on the adventurers.

The expedition, headed by Ralph Plaisted, a St. Paul, Minn., insurance man, made an unsuccessful attempt to reach the pole last year, turning back 530 miles short of the goal because of rapidly melting ice and other factors.

The explorer team has been traveling in gasoline-powered vehicles that haul sleds.

The bureau said it had received this message from the Ellesmere Island station at Eureka, which is jointly operated by the United States and Canada.

"U.S. Air Force fly-over verified at 0635 Zulu (1:35 a.m. EST) that Plaisted expedition had attained North Pole."

## Gary Rusha, 19, Killed In Vietnam

## Stocks Dip On Interest News

NEW YORK (AP)—The stock market took a sharp loss early today on news of stiffer interest rates. The ticker tape ran about five minutes late.

Losses outnumbered gains by some 900 issues, and the Dow Jones Industrial Average fell between 10 and 11 points.

Polaroid dropped 4¼ to 113 on a block of 26,200 shares but halved the loss quickly. U. S. Gypsum lost 2 and Xerox 3.

The initial wave of selling seemed to be getting no stronger, and there was some firming of prices here and there.

The market had seven straight days of advance behind it and the raising of the discount rate by the Federal Reserve Board was regarded as an "excuse" for a market correction, which analysts have been predicting right along, purely on a technical basis.

News that the Federal Reserve Board had upped the discount rate to 5½ per cent from 5 per cent came after the market close Thursday. Sell orders accumulated on the floor of the New York Stock Exchange well before the opening bell.

## Editors Reject Riot Guidelines

NEW YORK (AP) — Newspaper editors whose cities were hit by summer riots feel strongly that there is no need for a code of voluntary restraint in their news coverage.

This was the primary conclusion in a survey taken by William M. Ware, Cleveland Plain Dealer executive editor, for the Freedom of Information Committee of The Associated Press Managing Editors.

"Guidelines are impractical and possibly even irresponsible," one editor responded.

"I certainly do think they do infringe on freedom of information," said another.

Ware polled editors in cities struck by riots in the past three summers and said he delayed writing his report until the President's National Advisory Commission on Civil Disorders had released its findings and recommendations. He also consulted the Justice Department's Community Relations Service.

The survey conclusions reported by Ware:

"1. Emphatically no need for a code of voluntary restraint. In fact, a positive determination to have no part of one.

"2. No real threat at the moment to FOI (freedom of information). But, in view of the trend of the times, a serious warning to keep the guard up.

"3. Agreement on news executives' responsibility to: (a) make plans for coverage of any eventuality; (b) obtain and publish all the news; (c) exercise sound judgment and justifiable restraint in timing, story play, headline treatment; (d) protect the staff; (e) take the initiative in projects beneficial to the community, such as prior news presentation of basic causes of unrest and riots and advocacy and support of total community cooperation in seeking solutions.

"4. Support for the belief newspapers met their responsibility for riot coverage moderately well, and disbelief of charges that newspapers fomented or contributed to the spread of riots."

## Stambaugh Youth Dies Of Injuries

IRON RIVER (AP) — James Anderson, 18, of Stambaugh, died Wednesday of injuries suffered Monday when an auto struck his motorcycle from the rear on U.S. 2 east of Iron River.

## Organ Concert Is Overfluffy

By RUTH CHOWN

There were undoubtedly many who were thoroughly entertained last evening when Richard Leibert, organist at Radio City Music Hall in New York, performed in the William Oliver Auditorium as the closing attraction of the 1967-68 Community Concert Series.

The impression of musically educated persons in hearing this concert, however, was that it was a fraud; the cheapest type ever perpetrated on an Escanaba audience in my recollection, over the past eight years of concert attendance in this community. It was aimed at the lowest level of musical taste — the sensational, void of intellect, style, or taste.

Some may take issue with opinion as being that of a "high-brow". What then is a high-brow? Simply one knows quality; this does not mean the serious as opposed to the popular field — there is quality to be found in each area. This concert was not merely lowbrow; it was an insult to the intelligence of the audience.

When a group of individuals work for a number of years to develop musical quality in a community, it is an insult to think that someone supposes that this is what Escanaba audiences have been trained for. When we hear from various professional musicians that Escanaba is one of the most musically educated audiences they have played for, can we not expect quality in our Community Concert attractions?

### Is Quality Goal?

The question must be posed: What do Community Concerts represent? It had been by impression that it was quality. Last night's concert was not quality; it was a charade. It was entirely false. It is too bad that Mr. Leibert felt that he must begin his program with Bach, the one original number on the program, "to get it over with" in his words; because to do so was to presuppose the ignorance of the audience.

It was inarticulate in voicing, partly due to the limitations of the instrument, of course, but the abrupt effects of tone quality, muffled pedal, and shock effects of changing stops in the middle of a phrase was strictly poor taste. Because the electronic organ lacks the majesty of the pipe organ, the overwhelming effect one would desire on a forte was obliterated by the force of excessive ac-

cent and distortion of sound.

The ensuing selections, transcriptions of orchestral and operatic numbers, were cheap imitations of the originals. Perhaps the Beethoven March from "The Ruins of Athens," was the most amusing in a rather absurd way. One could hardly believe that it was Beethoven; it seemed as though the toy soldiers were about to appear from the wings any minute. Ravel's, "Bolero", at first promised a more truthful interpretation through restraint and tone control, but suddenly "pow" went the vibrato button and that was the signal for excessive rhythmic liberties to appear, topped off by the huge glissando as a finale, and every subtle intention of the composer was wiped away in one grand sweep.

### Critic's Role

The second half was perhaps a bit more palatable, but it was amusing to hear in Mr. Leibert's introduction to the Mancini medley that this number was his salvation; was it his personal salvation in a concert otherwise misprogrammed? We must admit that Leibert is an expert in his field. What exactly is his field though? It is the commercial and that only.

The question is: Does the commercial have a place in our Community Concerts? Is this what we want? If it is, then I propose a dual type of ticket, where both the artistic and the commercial will be offered, and one may buy a membership for one type or the other. Why should those who know better be forced to support attractions of cheap quality?

When I was asked to write this critique I accepted gladly. I am only sorry that I can not write a glowing report as I might have for many concerts in the past. The truth must be spoken. The art of musical critique is one which should be encouraged; our community deserves it on the basis of local musical achievements over the past number of years.

## Feet Stolen

SAN ANTONIO, Tex. (AP) — Charles Porter, 55, Hot Springs, Ark., awoke to find that someone had stolen his artificial feet. Porter said he removed the feet and put them on a nearby bench before going to sleep in his wheel chair in a park. He told officers the artificial feet cost \$1,800.

# Two-Story Mediterranean

By ANDY LANG

This interesting home, a departure from the usual, was designed to satisfy those who want imaginative living. The exterior has many features of the fanciful Mediterranean type — bulk, stone, timber, turret, balconies and tall, slim windows.

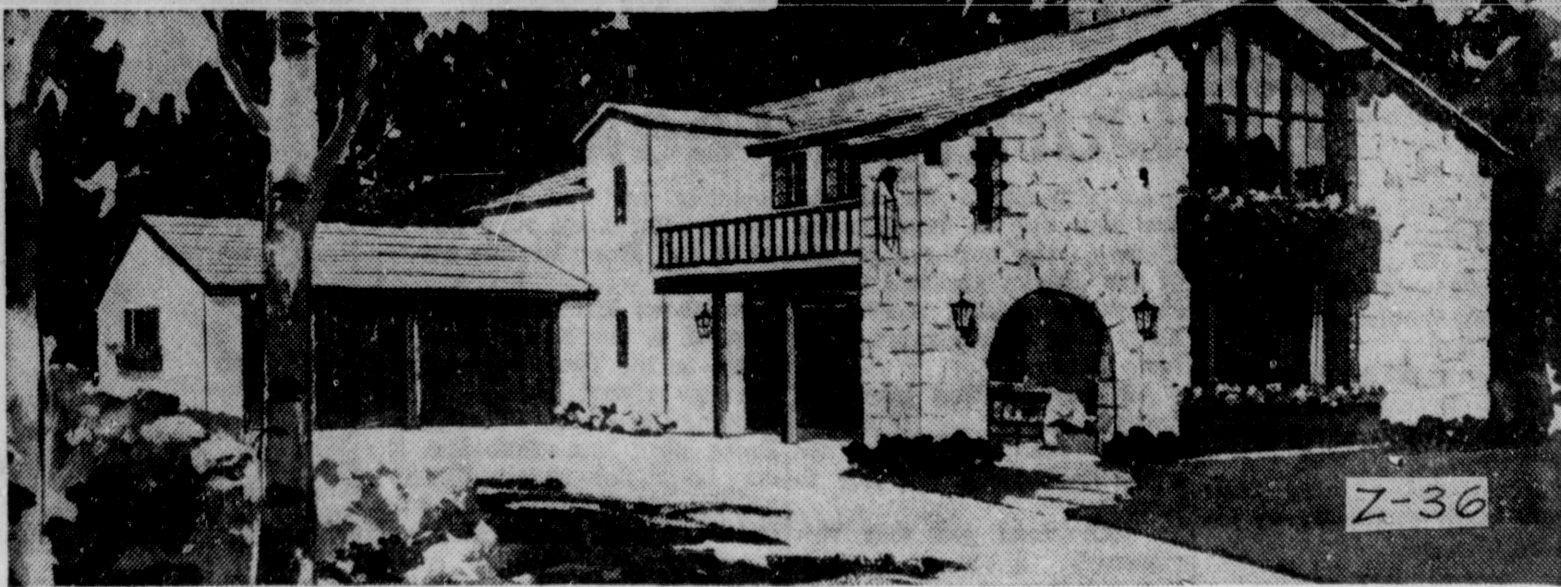

Because of the striking design — and the first and second floor outdoor living spaces provided — this home could easily double as a second or vacation home. There is drama in this structure from whatever angle it is approached, but particularly in the large stone arched entranceway which leads to the entrance porch. An illusion of walking through a thick wall is created by the wrap-around design of that wall. Once through, one finds low planters flanking the opening.

The porch, 13' wide, is covered overhead by the balcony, and the front entrance dominates the far wall 19' away. The wide, deep-paneled doors and

diamond-paned side light are surrounded by heavy timber and recessed for additional drama.

Inside, architect Rudolph A. Matern has packed in efficient plan arrangement into a narrow 29-foot width. Although there are only 1048 square feet on the first floor, the fireplaced living room, with a built-in bookcase, is more than 25' long, and the combination family room and kitchen almost 29' long. This floor also contains a powder room, U-shaped up-and-down staircase, laundry, U-shaped kitchen, separate dining room and a tremendous porch, as well as an attached two-car garage.

Upstairs, there is more drama. The stairway itself follows the slanted roof above, while the

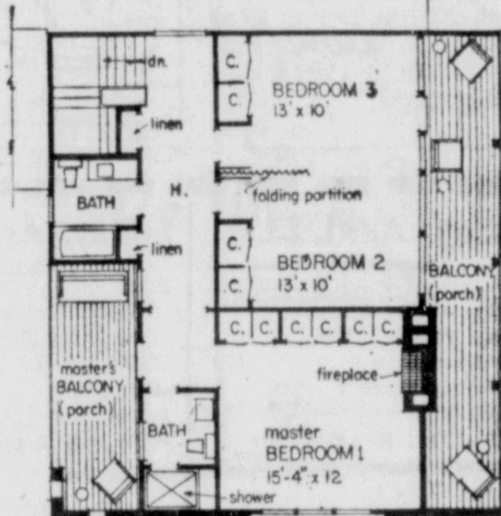

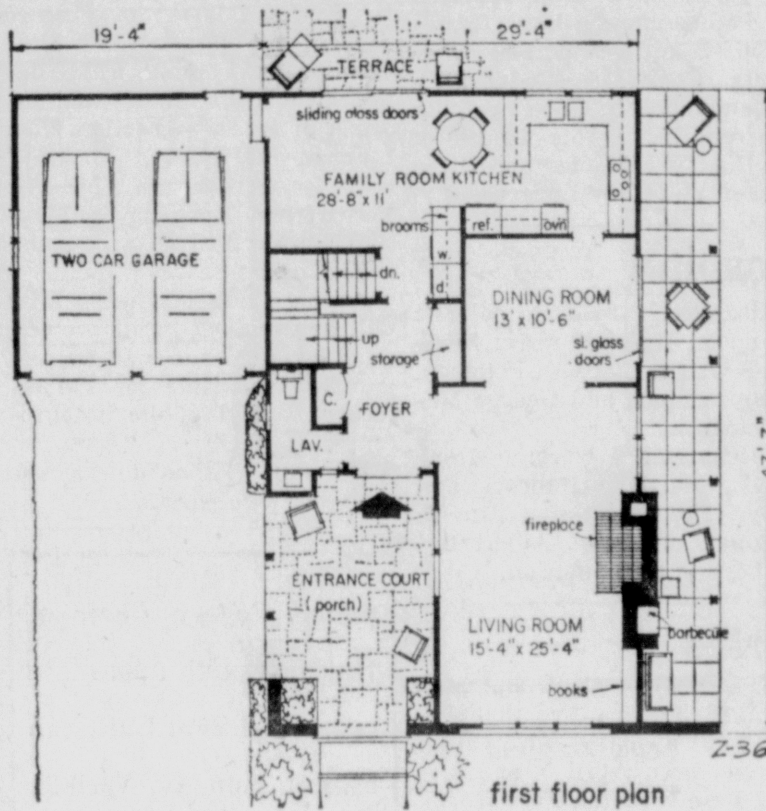

SOMETHING DIFFERENT: Utilizing stone, stucco and wood, this house follows Mediterranean styling. Note such features as the arched entranceway, the covered porch beneath a balcony, the diamond-paned side lights and the tall, slim windows.

also gains privacy by extended walls front and rear.

The master bedroom has its own private bath, a long wall of closets, a log-burning fireplace, a beamed cathedral ceiling and a large cathedral window. It also has a recessed sitting area next to the stone fireplace. Wood paneling covers the front wall. The two other bedrooms are separated by a

folding partition (if desired) which can be opened to provide an extra large area for children's play.

The exterior materials are stone, stucco, wood roof shingles (where local ordinances permit) and wood windows in a front wall. A most interesting house for a family that wants comfortable living in an unusual package.

FLOOR PLANS: For those who like large open areas, this floor arrangement is ideal. Note how long living room and dining room are in alignment, providing nearly 36' of view. Family room and kitchen at the rear are combined in a similar open layout.

**Z-36 STATISTICS**  
Design Z-36 has a living room, dining room, foyer, family room, kitchen and lavatory on the first floor with 1048 square feet of living area. There are three bedrooms and two baths on the second floor, totaling 922 square feet. This house has a large amount of storage and closet space. It also has an immense outdoor living area, with a sizeable outdoor entrance court, a rear terrace, a long group floor porch, an upstairs balcony and a separate balcony accessible to the master bedroom. The dimensions of the basic house are 29' 4" by 47' 7". The two-car garage adds 19' 4" to the width, making the over-all dimensions 48' 8" by 47' 4".

adjoining bath, with full-height headroom, forms the turret-like tower to house it.

Balconies are on either side of the house. The one over the front entrance is private for the master bedroom and has two lookout slits in the front stone wall. The lengthy balcony

## Salesman Shot, Traverse City Youths Are Held

TRAVERSE CITY (AP) — Two Traverse City youths were held at Grand Traverse County Jail Thursday, one for sentencing and the other for trial, in the shooting and wounding of a car salesman at Traverse City earlier this month.

Jerry McCoy, 17, pleaded guilty to assault with intent to commit murder at his arraignment before Circuit Judge Charles Brown and was remanded to jail to await sentencing. Jack Lown, 18, stood mute and a plea of innocent was entered. No trial date was set. Bonds of \$30,000 each were not furnished.

McCoy and Lown were accused in the shooting of Marshall G. Pratt at his home. He was wounded in the head and is in serious condition at Munson Medical Center at Traverse City.

## Rhineland Paper Is Sold

RHINELANDER, Wis. (AP) — Sale of the Rhinelander Daily News to Northern Lakes Publishing Corp., was announced Thursday by publisher Clifford G. Ferris. It will be effective May 1.

Northern Lakes is an affiliate of Hagadone Newspapers of Coeur D'Alene, Idaho, a division of Scripps League Newspapers, Inc.

Ferris, who is retiring, came to Rhinelander in 1925 and became owner and publisher of the newspaper in 1950. He is a past president of the Inland Daily Press Association, the Northwest Daily Newspapers Association and the Wisconsin Daily Newspaper League.

The news has been a daily paper since the 1920s and until Ferris took over was owned by a Michigan group headed by the late Frank J. Russell Sr.

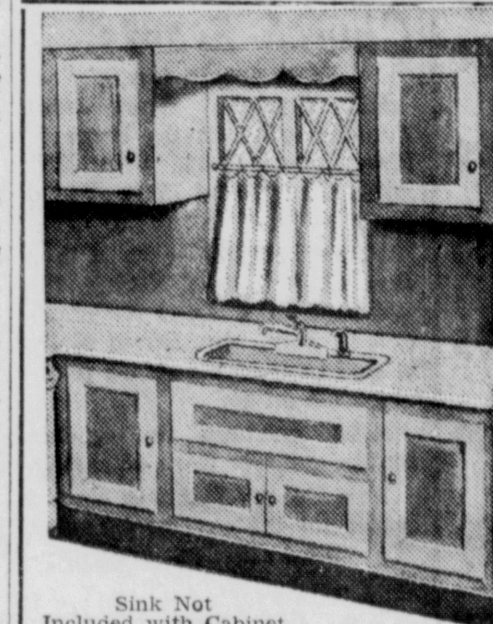

World's first commercial electrical lighting plant was installed at Appleton, Wis., in 1882.

ELECTRIC UTILITY**

## Health Careers Club Plans Drive

The Medical Health Careers Club of MHS is conducting a fund raising drive to finance a trip to University Hospital in Ann Arbor in May.

Mayor Leo DeMars made the first official contribution to the club Thursday.

Cannisters have been placed in business establishments in Manistique and the group is sponsoring a bake sale Friday, April 26, at the Maytag Store.

Organized in 1967, the group is composed of 16 active members all interested in pursuing medical careers. They meet on Tuesday evenings with their advisor, Mrs. Thomas Rice, LPN.

Since their inception, the group has been very active. Last September they hosted the U.P. Future Nurses meeting in

Manistique with delegates from all over the U.P. attending. They sponsored a Leap Year "Hippy Dance" at MHS to raise funds for a trip to Newberry in March to tour the state hospital.

Some of the members are working — paid and voluntary — at Schoolcraft Memorial Hospital and the Medical Care Facility on a part-time basis. Ann Clish is president of the club; Linda Edwards is vice-president; and Beverly Messer, secretary-treasurer.

### Nerve Impulses

In many instances, a nerve impulse to the brain travels at the rate of about 75 yards a second or 155 miles an hour. In lower animals, the speed is much less.

## Pre-Registration For Bay District Set For April 22

Supt. Larry Lundell of the Big Bay de Noc School District has announced that pre-registration for kindergarten students will be held on Monday, April 22.

Parents from the Garden-Fairbanks area should register their children at the Garden School.

Parents from Cooks, Isabella, and Nahma should report to the Cooks School.

Children must be five years of age by December 1, 1968 in order to attend kindergarten next year, Lundell said.

Parents should bring their child's birth certificate to the pre-registration.

## Book Memorial For Sgt. Grace

"The Michigan State Police" fiftieth anniversary, 1917-1967 edition, has been presented to the Manistique School and Public Library as a memorial to the late Sgt. Bernard Grace.

The publication, presented by his sons, is a comprehensive and pictorial history of the department.

The book has been processed and is now available for circulation.

## Church Events

St. Elizabeth Circle met Tuesday night at the home of Mrs. Robert Clark, with Mrs. Hugh Kelly and Mrs. David Kelly assisting hostesses.

Plans were made for a teen dance to be held during the Old-Fashioned Days Celebration in July. Mrs. David Kelly is chairman of the dance planning committee.

Altar cleaning assignments for the summer were delegated.

Mrs. Robert Eblil was elected leader for the coming year and Mrs. John Moffat secretary-treasurer.

The spring festival was planned for May 21 with Mrs. Carl Makel and Mrs. Moffat in charge.

### Zion Lutheran

The Hope Group of the LCW will meet Tuesday at 2 p.m. at the home of Mrs. Thor Reque, 631 Oak St. Study leader will be Mrs. Aldred Farley.

## MANISTIQUE

## See Smelt Runs During Weekend

All streams in the District are high due to recent rains. Those in the northern portion of the district are still bringing down melting snow. Icebergs have disintegrated along Lake Superior.

All major inland lakes are free of ice.

Main road conditions are good. Back roads are fair to poor.

Indications are that fish movement is about a week earlier this year than in 1967.

Smelt: Light runs were reported on creeks in Manistique area, at Nunn's Creek in the Lake Huron watershed near Hessel and in creeks near St. Ignace. Due to recent warm

weather and an anticipated warm rain, smelt runs should be in full swing by this weekend.

Rainbow: Fishing in general is slow. A few fish have been taken on the Two Hearted and Snucker rivers. Rainbow are running good in Thompson Creek near Manistique and it may be possible to take fish by trolling off the mouth of this stream. There is also a good possibility of catching coho salmon in this area. Very few fish have been reported from either the Black or Carp river in Mackinac County. Commercial fishing indicates some rainbow and brown trout in Lake Superior off the streams in central Chippewa County. These may be a possibility for trollers.

Coho: Two small coho were reported taken by trolling in West Bay, Grand Marais over the weekend. At that time there was still flow ice in the bay. Fishing should improve here as temperatures rise.

Perch: Good catches of Jumbo perch have been reported for Potoganniss Bay (Drummond Island) and Les Chevaux Channels (Cedarville).

Menominee: Good catches are reported at the mouth of the Big Two Hearted and Blind Sucker rivers in Luce County.

## City Briefs

Mr. and Mrs. Edwin E. Weuhle, Michelle and Marty, of 647 Park Ave., spent Easter weekend with Mrs. Weuhle's aunt, Miss Ann Fuhrmann of Peshtigo, Wis.

Mr. and Mrs. Richard Hiller and two children of Manitowoc, Wis. spent Easter weekend with Mr. and Mrs. James Barr, Rte. 1, Manistique.

Guests of the D. M. Creeger's Dodge Lake, over the Easter weekend were Mr. and Mrs. Donald Kiva of Warren; Mr. and Mrs. Matthew Kiva of Marquette; and Mr. and Mrs. Maurice Creeger and family of Newberry.

Mr. and Mrs. Clifford Christensen, Rte. 1, had his sister, Mrs. Herman Stone of Riverside, Calif., and niece and nephew, Dr. and Mrs. Josip Soln, Milwaukee, as guests at their home.

## Microfilm Library

NEW YORK (AP)—A collection of 10,000 rare, early printed books and manuscripts in the Jewish Theological Seminary library has been recorded on microfilm. Technicians using three cameras worked eight hours a day, five days a week for 22 months to photograph the collection. No figures were given but the project was termed "very costly."

## Hospital

Admitted to Schoolcraft Memorial Hospital were: Richard Swisher, Clarence Peterson, Brian Seaman, and George McFarlane.

Discharged were: Irene Minor, Marijean Hancock and baby, Fred Hinkson, Judith Misunas and baby, Albert Lavigne, and Lory Johnson.

## Births

STEVENS — Capt. and Mrs. John B. Stevens, are the parents of a baby girl, Amy Celeste, born April 5, at Carswell Base Hospital, Fort Worth, Texas, and weighing 8 pounds. The mother is the former Cerna Christensen, daughter of Mr. and Mrs. Clifford Christensen, M-94, Manistique.

Donald Elias

## Elias Is SENEY Asst. Manager

SENEY — Donald J. Elias of Fort Collins, Colo., began his duties as assistant refuge manager of the SENEY National Wildlife Refuge on March 14.

Elias attended high school in Trinidad, Colo., and recently received a Master of Science degree at Colorado State University. He also holds a B.S. degree in wildlife biology and another in forest recreation from the same university.

He served in the U.S. Air Force from December 1961 until October 1965 as a commissioned officer.

As assistant manager, Elias will be involved in all projects on the refuge and will be primarily responsible for the interpretive and public use programs.

He will live on the refuge with his wife, Ana.

## Suomi College Choir of Hancock will appear in concert at Zion Lutheran Church, Sunday, April 21 at 8 p. m. A free will offering will be received.

## Jefferson Day Fete April 27

LANSING (AP) — The Michigan Democratic party's annual Jefferson-Jackson Day dinner, postponed in the wake of the assassination of Dr. Martin Luther King Jr., has been rescheduled for April 27 at Detroit's Cobo Hall.

The new date means the Democrats will have to share Cobo Hall facilities with Michigan Republicans, who will be winding up their state convention on the same day.

State Chairman Sander Levin of Berkeley said Sen. Edward M. Kennedy, has rearranged his schedule to appear as principal speaker on the new date.

Kennedy had been slated to be main speaker on the original April 6 date.

The annual fund-raising affair will begin with a luncheon sponsored by the Federation of Democratic Women.

Efforts are being made to reschedule Mrs. Robert C. Wood, wife of the undersecretary of the department of Housing and Urban Development as the

luncheon speaker, Levin said. The Democrats also plan a reception for Kennedy prior to the dinner.

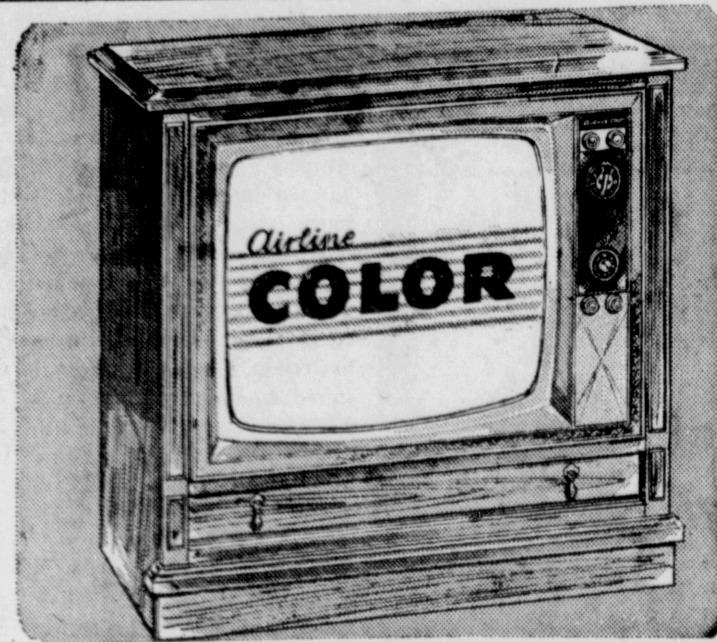

A general reception is set to begin at 6:30 p.m. with the dinner slated for 7:30 p.m.

Dinner cochairmen Aubrey V. McCutcheon Jr. and John C. O'Meara, both of Detroit, said more than 3,000 tickets were sold for the original dinner and predicted sales of more than 3,200 for the new date.

Tickets are \$30 for singles and \$40 per couple.

## Standout In Night

BLUFF, Utah (AP) — Burton Pierce's horse is a standout at night. There's a red flasher on the tail and a light up front. The trading post operator and justice of the peace says the lights are good protection from cowboys driving back to the ranch after a Saturday night in this southeastern Utah cowtown of 70 residents. The lights operate from a battery on the saddle.

## CLIP & SAVE!

## On The Sidelines With Mike Utt

Head Football Coach Rolfe Dotsch of Northern Michigan University reports that Bob Schaut of Escanaba High School and Bob Cowman of Manistowick have signed grant-in-aids for football at Northern next fall.

Schaut is a 6 foot 3 inch, 220 pound lineman from the Eskymos undefeated 1967 grid squad. His post season honors included being selected to the All-Conference team, the All-U. P. team, the All-State team and an honorable mention from the Scholastic Coaches Magazine All-American football team.

Cowman, a 6 foot 1 inch, 180 pound quarterback, teamed with teammate Gary Sample to give the Emeralds a strong passing combination. He was selected to the All-Conference team and was honored with a second team berth on the All-U. P. team.

Francis Peay, the new tackle acquired by the Green Bay Packers in a trade with the New York Giants, played tackle for Missouri when Northern Michigan head coach, Rolfe Dotsch, was an assistant coach working with the linemen at the Missouri school.

Bob Skoronski, offensive captain and tackle for the Green Bay Packers, will hold a football clinic at Olympia Sport Village near Ironwood June 6-9. Olympia is a year around camp for boys.

John Meyers of Houghton High School has been named the recipient of the Alfred E. Funke Trophy honoring him as the most valuable player in the Copper Country Conference.

The Kingsford Board of Education has approved a resolution that includes the elimination of all extra curricular activities and athletics. If additional funds are received the curtailed items will be replaced. The plan may leave Kingsford without an athletic program for the first time in the 43 year history of the school.

Coach Irv DeMerse's Iron Mountain tennis team swept four doubles matches and won two singles in defeating Niagara 6-1 at Iron Mountain Tuesday.

## Fran Gravelle Named Exchange Club Pilot

With the stocking of the Exchange Club team completed, Escanaba Jaycee Little League president Frank Bourke announced the selection of Francis Gravelle as the manager of the new team.

The Exchange Club team will enter the annual player auction to be held sometime during the first part of May with a nucleus of eight veteran players: Gerry Kenneally, Richard Branzell, Tom Peterson, Mike Nelson, Joe Pascoe, Doug Koish, Jeff McCloskey and Jeff Ferrari.

Because of the poor weather and light registration to date the 1968 initial Little League tryout for Escanaba will be a brief one beginning at 10 o'clock Saturday at Royce Park. Boys who will be nine but not 13 before the first day of August are urged to bring their birth certificate to Club 314 and pick up their registration blanks so that they will be eligible for screening next week.

Little League graduates of 1967 are reminded that blanks for the Babe Ruth program are also available at Club 314 and to turn in their Little League uniforms to their former Little League managers.

The selection of Gravelle marks the first time that a former Little League returned to manage an Escanaba Jaycee Little League team, and the youngest man to hold such a post. Gravelle, a product of Escanaba's fine baseball program, was rookie of the year in 1954 while playing.

## Tigers Blank Tribe; Sparma Posts First

DETROIT (AP)—Joe Sparma surviving a shaky start to post his first victory this year, and tape measure home runs by Willie Horton, Dick McAuliffe and Al Kaline carried the Detroit Tigers to their sixth straight victory Thursday.

The 5-0 triumph over Cleveland, combined with Washington's 7-6 victory over Minnesota boosted Detroit into a first place tie with the Twins in the American League pennant race.

"When 162 games are involved you just don't win the pennant on one game," cautioned Manager Mayo Smith. "The biggest thing is to win each series—two out of three or three out of four. Streaks

are usually followed by other streaks."

Smith noted that the Tigers take a six-game winning streak into Chicago tonight. The White Sox have lost seven in a row.

Sparma, who had five shutouts last year, blanked the Indians on seven hits. He finished strong, striking out the last two men he faced.

"I could smell the shutout," said Sparma. "I got stronger in the ninth although I was a little stiff in the eighth."

Dark Praises Sparma  
Indians Manager Al Dark, watching his team go down to defeat before Detroit's home run power for the second straight day, praised Sparma's performance.

"That guy pitched a great ball game," said Dark. "After the first couple of innings, we couldn't touch him."

But Sparma was tough in the clutch. He got the side out after giving up a lead off double to Tony Horton, who had three hits, in the second. Then he retired the side with the bases loaded in the fourth.

"I didn't have the feeling I could throw the ball where I wanted it," said Sparma. "I wasn't consistent on my breaking stuff."

Horton's second home run in two days, a 450-foot shot into the second deck in left center field, put Detroit in front in the second inning.

Norm Cash singled in the fourth, stole second and came home on Jim Northrup's base hit. McAuliffe blasted a home run into the third deck off loser Steve Hargan leading off in the fifth and Kaline followed with his first homer of the year.

Kaline, playing his 2,000th major league game, said he still hasn't shaken a batting slump which has lowered his average to .214.

"I didn't know where I was swinging," he said. "I just swung the bat. I haven't been going right since I left Florida."

Horton drove in the final Detroit run in the fifth after McAuliffe walked and stole second.

The muscular outfielder shook off references to his hitting, which has produced eight runs batted in in seven games.

"To keep winning, that's the important thing," he said.

### Delta Women's League Honored

The Delta Women's Pool League held their second annual banquet at the Dells Supper Club Tuesday evening. All teams participating in the league were awarded a trophy.

Each team played a total of 180 games and honors were as follows: Mush's Bar, 116; Sportsman's Bar, 99; Colonial Hotel, 92; Buck Inn Tavern, 82; Hi-Way Tavern, 79; and Harry's Bar, 72.

Individual high honors went to Sonja Hall (Mush's), Jan Dault (Mush's) and Lila Sandville (Mush's). Sonja Hall was awarded a personal trophy for her high average of .733, having won 33 of a possible 45 games.

Darlene Meiers was elected president for the coming year. Prizes were awarded to Pauline Reinhold, Lila Sandville, Karen Longtine and Anne Bengtson.

THE CENTRAL LEAGUE announced its All-League team at its annual banquet last evening. Members of the team include: back row, left to right, Tom Lippens, Rick Mercier, Allan Pasi, Paul McNutt and Tom Ray. Front row, Klint Safford, Rick Mercier, Art VanDamme, Paul Salminen and Jack Mikulich.

## Central League Athletes Feted At Annual Banquet

RAPID RIVER — Rapid River High School entertained the other member schools in the Central League at a banquet held last evening in the multipurpose room of the high school.

Rapid River principal, Terry Johnson welcomed the players, coaches, cheerleaders and guests to the banquet and stated that the purpose of the banquet was to show gratitude for the time and effort put in by the athletes during the past season.

John Butrymowicz, athletic director and basketball coach at Holy Name High School in Escanaba, was the guest speaker.

Butrymowicz related how athletics can do something for a person in later life. He told the group that athletics are filled with good character. What is learned through athletics should be retained and used later in life.

Butrymowicz reminded the athletes that "If you fail it isn't because you don't have character; but if you don't have character, you fail."

Vern Nelson, head basketball coach at Perkins High School, passed out booklets containing league statistics and records. Nelson also awarded free throw championship trophies to Paul Salminen of Eben and Klint Safford of Rapid River for having the highest percentages in the league.

Julian VanDeCavey, toastmaster for the event and president of the Central League, presented trophies to league co-champions, Rapid River and Treenary; junior varsity champs, Big Bay de Noc, and the junior high league champions, Rapid River and Big Bay de Noc.

VanDeCavey then introduced the top twenty of the league's cross-country meet and awarded the championship trophy to Big Bay de Noc.

Escanaba Daily Press Sports Editor, Mike Utt, presented Art VanDamme of Perkins with a certificate honoring him as a first team selection on the All-U.P. Class D team.

Announcement was made of the All-League team selected by the coaches in the league by Gene DeKeyser, basketball coach at Rock High School. Players receiving the honor were: first team - Salminen, Eben; Safford, Rapid River; Jack Mikulich, Treenary; Rick Mercier, Big Bay de Noc and VanDamme, Perkins. Second team - Tom Ray, Bark River; Bill Hartman, Big Bay de Noc; Allan Pasi, Rapid River; Tom Lippens, Rock and Paul McNutt, Perkins.

Special awards were presented to Norman Slough and Vic Mankiewicz for services which they performed for the Central League through the years.

Schools represented at the banquet were Bark River-Harbin, Big Bay de Noc, Eben, Perkins, Rapid River, Rock and Treenary.

## St. Louis, North Stars Win Division Playoffs

By The Associated Press

A single skate beat the Philadelphia Flyers, while several pairs of flashing blades did in the Chicago Black Hawks.

A puck bounced off a skate—there is a question of whose skate—and into the net for what proved to be the winning goal in St. Louis' 3-1 victory over the Flyers Thursday night in the final game of the best-of-7 National Hockey League playoff series.

The swift Canadiens simply skated off and left Chicago, trouncing the Black Hawks 9-2 as the best-of-7 East Division final series opened in Montreal.

In the other gam, the visiting Minnesota North Stars gained the right to meet St. Louis in the West Division final series by beating Los Angeles 9-4 and taking the semifinal set four games to three.

The game at Philadelphia was tied 1-1, when Larry Keenan scored for St. Louis at 10:45 of the second period.

Keenan said his shot hit the goal post, then hit Philadelphia defenseman Larry Zeidel's stick and bounced off goalie Bernie Parent's skate into the net.

But Parent said the puck hit the post and then caromed off Zeidel's skate and into the net.

Getting an assist on the play was 43-year-old Doug Harvey, who also played a good defensive game for the Blues. St. Louis called him up Thursday from Kansas City of the Central League. It was Harvey's 129th Stanley Cup game.

St. Louis opened the scoring in the first period on a 30-foot power-play goal by Frank St. Marcelline. Philadelphia tied it in the same period on Bill Sutherland's shot. The final goal came on a 75-foot shot by Red Berenson into an empty Philadelphia net with 50 seconds left.

The well-rested Canadiens, who won their series with Boston 4-0, zipped to a 7-0 lead before the weary Hawks scored a pair in the final period. Chicago played just last Tuesday night and beat New York for a hard-earned 4-2 series triumph over the Rangers.

John Ferguson and Yvan Cournoyer each scored twice for Montreal. Doug Jarrett and Gilles Marotte scored within a little more than a minute in the third period for Chicago before the Canadiens completed the route with two more goals.

The next game is in Montreal Saturday.

Minnesota made sure of the right to meet St. Louis in the

## Cardinals Show Definite Weakness; Drop 4-3 Tilt

By The Associated Press

Bob Lee has found a chink in the St. Louis Cardinal armor. The World Champions show a definite weakness around the 12th inning.

Lee, Cincinnati's veteran reliever, picked up his second straight 12th inning victory over the Cards Thursday night and the score both times was 4-3.

In the only other National League games scheduled, Atlanta rode Felipe Alou's second home run of the game to a 5-3 ninth inning victory over Chicago, and Willie Mays' bases-loaded double drove in three runs as San Francisco rallied for a 5-3 victory over the New York Mets.

Lee worked out of a 12th inning jam and picked up Wednesday's victory when Pete Rose doubled and came in on Lee May's single. On Thursday, the big left-hander had to work a bit harder for the victory, going three innings before another Rose double broke it up.

Rose, who homered tying the game in the eighth, doubled Leo Cardenas across with the winning run in the 12th. Cardenas, who opened with a single, moved to second on Chico Ruiz' hit before Rose delivered.

John Edwards, traded to St. Louis by Cincinnati during the winter, drove in two runs with a double giving the Cards the lead they held until Rose's home run tied the game.

Atlanta was down to its last out, trailing Chicago 3-2 in the ninth. But Sandy Valdespino singled and pinch hitter Mike Lum

tripled him home. Pete Mikkelsen relieved for the Cubs and Alou lined his second homer of the game to win it for the Braves.

Alou and Clete Boyer had accounted for Atlanta's first two runs with solo homers—Boyer's run batted in was the 500th of his major league career.

Adolfo Phillips had a two-run shot for the Cubs.

It may have been a costly victory for the Braves. Slugger Joe Torre was struck in the side of the head by a pitch in the eighth inning and left the field bleeding

from the nose. He was taken to a hospital for X rays.

"The preliminary examination on Torre looks good," said Atlanta Manager Luman Harris. "He was bleeding from the nose but wasn't cut badly. Torre said he never saw the ball, didn't freeze or anything just never saw it."

Mays stroked two doubles against the Mets—the second one clearing the bases in the seventh inning. That wiped out a 3-2 New York lead built mostly on pitcher Don Cardwell's two-run homer.

Rapid River Workshop

The State Women's Fellowship of the United Church of Christ will hold a workshop at the Garden Congregational Church April 23 from 9:45 a.m. to 2 p.m.

The workshop provides leadership classes for all officers and members of the fellowships of the five Delta association churches including Garden, Coakes, Fayette, Rapid River and Isabella.

Officers of the State Women's Fellowship team are, President, Mrs. Louis Vogel; First Vice-President, Mrs. Virginia Weststrom; Social Concerns Chairman, Mrs. Mary Yeager and Material Aid Chairman, Mrs. Reva Swanson. Mrs. Dale Watchorn will be in charge of devotions. All friends and members are welcome and lunch will be served.

Rev. and Mrs. R. Stein, Manistique attended Easter service at the Congregational Church in Rapid River and visited friends in the afternoon.

Mr. and Mrs. Floyd Lundberg and Ruthie, Chicago, spent the weekend at the home of Mrs. Esther Caswell.

Mrs. Bill La Belle Flint visited at the home of Mrs. Minnie McPherson.

Mrs. Glenn Harwood, Mary Bandt, Mrs. Robert Bezi and daughter, Sharon, Rapid River and Mrs. Dennis Johnson, Iron River, attended basic combat graduation ceremonies in Campbell, Ky., April 12.

Bob Bezi Jr. and Gene Morz have returned to college in Mt. Pleasant, after spending the Easter vacation with their families.

Mrs. Pauline Hamilton, Fond du Lac, Wis., visited friends in Rapid River. She is a former resident.

Mrs. Herman Stenlund is visiting at the home of her son, Harold, in Milwaukee.

Mrs. Ray Swanson and children and Mrs. Kenneth Tufnell Manistique, spent Monday at the Nap Boudah home.

Mr. and Mrs. Oliver Evans, son, Tom and daughter, Nancy, were guests at the Nap Boudah home Easter Sunday.

Ray LaBumbard is a patient at St. Francis Hospital. His room is 201.

Floyd Ross has been dismissed from St. Francis Hospital after undergoing surgery.

Seney

Mrs. Ed Hyonen was taken to Ann Arbor on Monday where she will enter University Hospital for surgery.

Miss Sonja Hyonen who is employed in Milwaukee spent the Easter holidays here visiting her parents, Mr. and Mrs. Arnold Hyonen.

Mr. and Mrs. Lowell Maxson and family of the Soo spent the Easter weekend at their home here.

Mr. and Mrs. J. J. Riordan traveled to Marquette Wednesday where Mr. Riordan received a physical checkup.

Basic Training

Jack Miller, son of Mr. and Mrs. Isadore Miller, who left last week for Milwaukee where he was inducted into the Army, has been sent to Fort Roberts, Ky., for basic training.

Mr. and Mrs. Richard Papple and daughter of Fond du Lac, Wis., visited recently with her grandparents, Mr. and Mrs. William Hollingshead.

The Mesdames Hulda Riordan, Margie Tobin, and Myrtle St. Martin took part in the bowling tournaments in Marquette last weekend.

The Rev. and Mrs. Victor Miller and family, Miss Verda Smeltzer and Miss Julie Hollingshead traveled to Fairview, Mich., where Rev. Miller delivered the Good Friday message at the Mennonite Church there.

Mr. and Mrs. Warren Anderson and family spent the Easter holiday with relatives in Marinette.

Safford Leaves For 4-H Meet

Thomas Safford Jr., son of Mr. and Mrs. Thomas Safford Sr., Rte. 3, Rapid River, left today for Washington, D.C. to attend the National 4-H Conference.

He was one of four Michigan 4-H Club members selected to represent the state as delegates to the conference from April 20 through April 26.

Safford was notified of his selection at the State 4-H Show in Lansing last September.

Other members of the Michigan delegation are Ann Bennett, Berrien Springs, M. Darlene Rice, Manicouche, and James Crissman, Caledonia.

A senior at Rapid River High School, Safford is an honor student and serves on the Student Council, school year book staff, and varsity basketball and track teams.

He is in his ninth year of 4-H project work and has been active in Delta County's Teen Leader Organization, serving as its president for two years. He is a member of the Ensigner 4-H Club, serving as its president for four years.

Tom has attended the State 4-H Show at Michigan State University, East Lansing, for four different years, participating in demonstrations, land judging contests, model business meetings, and other projects.

Delegates will return home Saturday, April 27.

In the Matter of GREAT LAKES GAS TRANSMISSION COMPANY  
Petitioner,  
VS.  
RICHARD LA CHAPELLE and MARGUERITE LA CHAPELLE, his wife, PAMELLA WRIGHT, VIRGIL WRIGHT, HAROLD WRIGHT, and THOMAS WRIGHT.  
Respondents.

ORDER FOR HEARING AND PUBLICATION

At a session of said Court, held in the Probate Office in the City of Escanaba, in said County, on the 2nd day of April, 1968.  
PRESENT: HONORABLE Marie D. Peters, Judge of Probate.  
Great Lakes Gas Transmission Company having filed in this Court its petition praying for the condemnation of an easement and right-of-way for the construction of a natural gas pipeline over, through and across the lands more particularly described in Schedule "A" attached hereto, and made a part hereof, for the transportation of natural gas for public use, in accordance with the provisions of the Natural Gas Act of the United States of America, as amended, and the procedural provisions of Sections 22.1671 - 22.1674, Michigan Statutes Annotated, and it appearing from said petition that no person or persons own, or have an interest appearing of record, or are in possession of the property sought to be condemned, other than the persons named in said Schedule "A".

IT IS ORDERED

that a hearing on said petition shall be held on the 24th day of April, 1968, at 10:00 A.M., on said date in the Courtroom of the Probate Court of Delta County, Michigan, in the County Courthouse, Escanaba, Michigan. IT IS FURTHER ORDERED that petitioner shall cause this Order to be published in the Escanaba Daily Press, a newspaper published and circulated in said County, at least once each week for two (2) successive weeks immediately preceding said date of hearing, and shall mail a copy of this Order to each absent or nonresident respondent at his last known post office address by Registered Mail with return receipt demanded. IT IS FURTHER ORDERED that a copy of this Order be served upon each of said respondents who is a resident of Delta County in accordance with the provisions of Sections 22.1671 and 22.1674 (10), Michigan Statutes Annotated, at least ten (10) days previous to said date of hearing.

Inez V. Gustafson, Register of said Court, having the legal custody of the files and records thereof, do hereby certify that I have compared the attached copy of ORDER FOR HEARING AND PUBLICATION with the original thereof, and find that they are a true and correct transcript thereof, and of the whole.

In Testimony Whereof, I have hereunto set my hand and affixed the seal of said Court, at the City of Escanaba, in said County, this second day of April, A. D. 1968.

Inez V. Gustafson,  
Register of Probate  
1774-April 5, 12, 19, 1968

April 19, 1968 May 3, 1968  
STATE OF MICHIGAN  
File No. 14106  
Probate Court for the County of Delta

Estate of Minnie Price, Deceased.  
It is Ordered that on June 25, A. D. 1968, at ten A.M., in the Probate Courtroom, Escanaba, Michigan a hearing be held at which all creditors of said deceased are required to prove their claims. Creditors must file sworn claims with the court and serve a copy on Gladys L. Costley, executrix of said estate, 801 South 20th Street, Escanaba, Michigan, prior to said hearing.  
Publication and service shall be made as provided by Statute and Court Rule.  
Dated: April 16, 1968.  
MARIE D. PETERS,  
Judge of Probate.  
Attorney Robert E. LeMire,  
Northern Michigan National Bank Bldg.,  
Escanaba, Michigan.

Escanaba, Michigan.

## Card of Thanks

## Mattson

We wish to thank our friends, neighbors and relatives for their kindness and sympathy in our recent bereavement, the death of our dear mother, Mrs. Enoch Mattson. We are very grateful to Rev. Karl J. Hammar and Rev. Robert Selberg for their comforting words, to those who sent floral bouquets, the donations of food and to anyone else who helped in any other way. We thank you all.

The Family Of  
Mrs. Enoch Mattson

## Michel

Our heartfelt thanks are extended to all who aided by acts of kindness and sympathy during the illness and death of our beloved father, Joseph Michel. We are especially grateful for the memorial gifts, the floral offerings and the donation of food. Your kindness will never be forgotten.

The Family Of  
Joseph Michel

## 1. Announcements

**NOTICE TO BIDDERS "CONCRETE PIPE"**  
Sealed bids will be received by the City of Escanaba, at the Clerk's office in the City Hall, Escanaba, Michigan, on or before 8:00 p.m. (C.D.T.), May 2, 1968 for the furnishing of Concrete Pipe for Sewer Construction. The bids will be publicly opened and read at the Council meeting on said date.

Proposal forms and Specifications are available at the City Clerk's office. No bid will be considered unless the Proposal Form, returned by the City Clerk, is properly completed and enclosed in a sealed envelope marked "Concrete Pipe Bid of May 2, 1968". A certified check or bidder's bond, drawn payable without condition to the City of Escanaba, Michigan, in an amount not less than \$500.00 (which is estimated to be approximately 5% of the total bid), shall be submitted with each proposal as a guarantee that if the bid is accepted, the bidder will furnish materials or services as stated in his proposal. On failure of the successful bidder to fulfill the conditions of his proposal, he shall forfeit said deposit to the City of Escanaba as liquidated damages, and the acceptance of the proposal will be contingent upon the bidder's agreeing to this provision.

The City of Escanaba reserves the right to reject any or all bids, or any part of any bid, and to waive any irregularities in the bidding.

Donald J. Guindon  
City Clerk

**NOTICE TO BIDDERS**  
Sealed bids will be received by the City of Escanaba, at the Clerk's office in the City Hall, Escanaba, Michigan, on or before 8:00 p.m. (C.D.T.), May 2, 1968, for the furnishing of Asphalt and Asphalt Emulsion. The bids will be publicly opened and read at the regular council meeting on said date.

Proposal forms and specifications are available at the Clerk's office. No bid will be considered unless the proposal form furnished by the City is properly completed and enclosed in a sealed envelope marked "Asphalt Bid of May 2, 1968". A certified check or bidder's bond, drawn payable without condition to the City of Escanaba, Michigan, in an amount not less than \$500.00 (which is estimated to be approximately 5% of the total bid), shall be submitted with each proposal as a guarantee that if the bid is accepted, the bidder will furnish materials or services as stated in his proposal. On failure of the successful bidder to fulfill the conditions of his proposal, he shall forfeit said deposit to the City of Escanaba as liquidated damages, and the acceptance of the proposal will be contingent upon the bidder's agreeing to this provision.

The City of Escanaba reserves the right to reject any or all bids, or any part of any bid, and to waive any irregularities in the bidding.

Donald J. Guindon  
City Clerk

**NOTICE TO BIDDERS "READY MIX CONCRETE"**  
Sealed bids will be received by the City of Escanaba, at the Clerk's office in the City Hall, on or before 8:00 p.m. (C.D.T.), May 2, 1968, for the furnishing of 600 cubic yards (more or less) of Ready Mix Concrete, to be delivered as needed and requested during contract period May 2, 1968 to April 30, 1969. The bids will be publicly opened and read at the regular council meeting on said date.

Proposal forms and Specifications are available at the Clerk's office. No bid will be considered unless the Proposal form furnished by the City is properly completed and enclosed in a sealed envelope marked "Ready Mix Concrete Bid, to be opened May 2, 1968". A certified check or bidder's bond, drawn payable without condition to the City of Escanaba, Michigan, in an amount not less than five percent (5%) of the total bid, shall be submitted with each proposal as a guarantee that if the bid is accepted, the bidder will furnish materials or services as stated in his proposal. On failure of the successful bidder to fulfill the conditions of his proposal, he shall forfeit said deposit to the City of Escanaba as liquidated damages, and the acceptance of the proposal will be contingent upon the bidder's agreeing to this provision.

The City of Escanaba reserves the right to reject any or all bids, or any part of any bid, and to waive any irregularities in the bidding.

Donald J. Guindon  
City Clerk

## GLADSTONE Top Talent Acts Go To 4-H Show

The Delta County 4-H Talent Show will be held on April 20 at 1 p.m. at the Escanaba Junior High School Auditorium. Top talent acts from each club in Delta County will be competing for county honors.

Representing the Gladstone Club will be Kris Sjoquist with a piano solo, "Born Free"; Cindy LaFleur, vocal solo, "I Believe"; "The All-American Girls", Patti Plouff, Kathy Hirn, Debbie Bero, Lynne and Kathy Madden and Cindy and Cheryl LaFleur singing in harmony, "This is My Country"; and an act entitled "Fantasy", narrated by Kathy Madden and Cindy LaFleur and characters portrayed by Theresa Madden, Cathy Plouff, Mary Beth LeGault, Joan Nelson, Mary LaPine, Susan Altese, Jean Davis, Jeanne Dehlin, Trudy Anderson, Kathy Meyer and Glenda Mineau. The Cloverettes will provide the vocal accompaniment to the Fantasy Act and Mrs. Donald Hirn will accompany on the piano.

Kris Sjoquist will also represent the club as the Queen candidate and will be competing for the title of the Delta County 4-H Club Queen.

The County Style Show will be held at the Escanaba Junior April 27 at 7:30 p.m. All girls who modeled their garments at the Local Achievement Program will be entitled to model at this county event. Transportation must be provided by the leaders or parents within the project groups.

There will be no admission charged for these county events and parents within the project groups.

There will be no admission charged for these county events and parents and friends are encouraged to attend this fine display of youth activities.

### Briefly Told

The Gladstone Board of Education will hold a special meeting at the office of the Supt. of Schools Monday at 5 p.m.

Cub Pack 471 will meet Saturday, April 20, at 7 p.m. in the James T. Jones School. Mothers and fathers are invited to attend the meeting.

Martin Erickson, Rte. 2, Rapid River, was ticketed by Gladstone Police for failing to stop for a stop sign after a traffic accident Wednesday at the 12th St. and Delta Ave. intersection. Officers said Erickson's car collided with a car driven by Theodore Lawrence, Sault Ste. Marie, and the impact swung the Erickson car into a Clairmont Transfer Co. truck which was stopped at the stop sign on 12th St. The accident happened about 10:35 a.m.

### Sight Car Record

DETROIT (AP) — With 13 plants operating on overtime Saturday, U.S. automobile production this week is expected to set a new weekly record for 1968.

Automotive News estimates output this week will be 198,189 cars, compared with the previous high of 192,231, posted in the week of March 18-23. In the comparable year-ago week the total was 172,296.

## Froberg Hunt Sparks Calls

Members of the Froberg family residing in the Gladstone-Rapid River area have been desiged with telephonic calls since the appeal for information on the whereabouts of Carl Froberg was made on the Art Linkletter House Party program Wednesday afternoon. Froberg has not been heard from since he went to Spokane, Wash. about eight years ago and his sister, Mrs. Jenny Neveau, of Masonville, appealed to Linkletter about an attempt to locate him.

Local residents were interested when they heard Linkletter say the family was trying to find a Carl Froberg who

had been born in Masonville. He said Froberg's brother, George, who had resided in Rapid River had died and left his brothers and sister each \$3,000 and that the family wanted to contact Carl. William Froberg, of Rapid River, is also a brother.

Froberg, who is 62 years old, had worked in lumber camps with his brother, George, for several years. He went to Milwaukee to work but decided to go on to Spokane. The family had his address in Spokane but when efforts to contact him failed they asked the police to check and were told he had moved without leaving a forwarding address.

Franz Liszt created some 700 original musical compositions.
